SHEEP FOR SALE At the present time arid sheep breeders are offering stock for sale. This will continue throughout the next few weeks, probably in increasing quantities. Indications are that there should be a good demand for breeding rams and ewes. Guide readers or others who see this notice and who have animals for sale are invited to consider the service. The Guide's Farmers' Market Place offers in this connection. A \$2.00 ad will permit the use of 40 words describing what you have for sale and will carry your message into nearly 50,000 homes. In these homes Guide readers know that the Farmers' Market Place is the place to look for offerings of this kind. The economy of this service and its efficiency will be evident to anyone. The fact that it actually pays in dollars and cents to use this method of securing profitable sales for sheep will be evident from consideration of the following letters written The Guide following such advertising: THANKS GUIDE FOR GOOD RETURNS Please discontinue my For Sale ad. of Oxford Down Ram Lamb as I am all out of Ram Lamb.
