—A person is hardly able to pick up a daily paper nowadays without seeing some large scare heading announcing some atrocious murder or frightful accident. The impetus that crime has taken during the past few years is appalling. Accidents are occurring daily which can be traced to carelessness on the part of the people who sustain them. Familiarity with machinery breeds contempt, thereby occasioning many fatal accidents.

**J. D. McDONALD,**

HORSESHOER AND GENERAL BLACKSMITH,  
Shop opposite the Bank, Mildmay, Ont.

Having had a long experience both in Canada and the United States, I am confident I can give satisfaction in every line of my trade. My most careful attention given to shoeing especially to horses with bad feet.

I also have a process and the tools for welding new steel plates on the cultivator teeth of Seed Drills, or I can sharpen the old ones (if they are not worn back too far) without drawing out the iron part, which leaves a solid steel point, the same as when new.

Charges low. Give me a call and be convinced.
