Local Affairs.

Mr. Alex. Ross, of Wingham, was a guest of Mr. Henry Perkins, on Sunday last.

Dr. and Mrs. Armstrong, of this village, spent Sunday last with friends in Wingham.

Mr. H. Ellis has lately had a fine barn added to his property near the sawmill in this village.

Mr. and Mrs. Leathorne, of Bluevale, spent Sunday last in Gorrie, the guests of Mr. I. Sanderson's family.

Mrs. Mitchell, of Walkerton, has been visiting at the residence of Mr. I. Sanderson, for a short time past.

Miss Martha Graham, who has been in Stratford since April last, was home on a short visit over Sunday last.

Every instrument in the Gorrie Brass Band is now filled and the boys are arranging to purchase several new ones.

Mr. Laughie Campbell, of Teeswater, was in town this week. He reports doing an excellent hotel business in the terminus village. He was accompanied on the trip by Mr. Battie, of Teeswater.

On Monday last Mr. Geo. Perkins received a telegram from a Meaford jeweler, offering him a situation, and on the following morning he started by train for that place. He has fully recovered from his late indisposition.

The grain harvest is nearly over and it is expected that the last of it will be got in this week. From all parts of the township come the most encouraging reports and it is confidently expected that the yield will be a very profitable one.

Rev. W. J. Brown, of Wisconsin, was in Gorrie on Tuesday afternoon, while enjoying a short holiday visit with the family of his father-in-law, Deputy-Reeve Johnston, at Rodgrave. The rev. gentleman was a former Howick boy and his many friends are glad to see him again.

The Gorrie foot-ball team went to Brussels on Saturday afternoon to play a game with the club in that village. It was at first arranged to have the game played here and an announcement to that effect was made in last week's GAZETTE, but the plans were altered on Friday so that our boys were the visitors instead. A very even, though somewhat slow, game resulted in a victory for the Brussels team by 1 goal to 0, the Gorrie players being sadly out of practice. One or two more matches are on the tapis.

Howick voter's list this year contains the names of 1201 persons, 787 of whom are qualified to serve as jurors. The voters are divided up as follows: In Ward No. 1, 202; Ward 2, 188; No. 3, 230; No. 4, 207; No. 5, 199; No. 6, 175. Under the old law, which only permitted 200 persons to vote in a division, at least three new divisions would have to be established in the township to serve the requirements of Howick this year.

The Mail says of Parker's Dye Works, Toronto: "No longer is it necessary to give away, or sell for a trifling amount, the partly worn goods when they can be cleaned and dyed so as to present as good an appearance as new, and last double the time they would otherwise. This firm have now a most enviable reputation and are distinguished from other and less competent dyers by the fine work they turn out." We cannot say any too much for R. Parker & Co., the well-known dyers, of Toronto. We advise our readers to look through their wardrobe and have their soiled or faded garments cleaned or dyed to look like new. Agents: A. B. Allison, Gorrie; Jas. Fox, Wroxeter; H. C. Bell, Fordwich. Orders left at any of the above agencies will receive prompt attention.

Mrs. Jno. Stearnol is at present quite ill at her home in this village.

Mrs. Wm. Green, of Harvey, Illinois, is visiting here this week and part of last.

Division Court was held in Gorrie yesterday. The docket was not a heavy one.

Seaforth carried a \$14,000 by-law on Tuesday for the erection of a market and fire hall on Main St.

Mrs. Harry Days, of Lucknow, is the guest of her brother-in-law, Dr. Armstrong, in Gorrie, this week.

A foot-ball match will be played on Friday afternoon at Wingham between the Gorrie and Wingham clubs.

Mr. Jas. Warrell sold a fine horse the other day to Mr. Jno. Hooy, of Wroxeter, for the handsome sum of \$150.

Mr. Frank Gilliland, of Linwood, spent Sunday last with the family of Mr. Richard Graham, just north of town.

Miss Bessie Hemley, of Harrison, is the guest of her sister, Mrs. (Rev.) Brownlee. Another sister, Miss Edith, is expected to-day.

Mrs. Alex. Walker, formerly of this village, has been here for a few weeks, on a visiting and business trip. She returned to her home on Tuesday.

Mr. R. J. Freeborn, of Invermay, a student at Huron College, London, took Rev. Mr. Brownlee's work on Sunday last, the latter gentleman being ill.

Miss Hattie Walker took her departure from Gorrie, on the afternoon train last Thursday. A large number of her friends were at the station to bid her good-bye. Miss Walker intends to enjoy a holiday visit with relatives in and near Hamilton before taking a position in the Northwest.

The union picnic held on Thursday last by the Wroxeter and Gorrie English Church Sabbath Schools, in Dr. Smale's beautiful grove at Wroxeter, was a very pleasant affair. About 800 children and friends were in attendance, and the grounds were provided with every convenience for the enjoyment of all. An excellent picnic dinner was served under the trees by the ladies and all seemed to take full enjoyment from the occasion.

The Busy Gleaners of the Methodist church intend giving a garden party on Mr. Edward James' spacious grounds on the evening of Friday, September 2nd. A good programme will be rendered during the evening. An admission of 10c. will be charged at the gate. Refreshments extra. Gate open at 6:30. Everybody invited. A good time may be expected.

Most of the farmers in this vicinity will finish their harvest this week.

Miss Margaret Allen, who has been dangerously ill for the past few weeks, is slowly recovering.

Mr. Suttell Pritchard, who has been visiting his parents and friends hereabouts, has returned to Bowmanville, where he has charge of the Congregational Church during his vacation.

Rev. W. Brown, Muckwango, Wisconsin, occupied the pulpit of the Congregational Church here last Sabbath. The church was filled to the doors. Rev. Mr. Brown was formerly a Howick boy.

Mr. Alex. Johnstone has been very ill with typhoid fever lately, but we are pleased to hear that he is now slowly recovering.

Mr. Geo. S. Johnston had the misfortune to lose some outbuildings by fire one day last week. How the fire originated is a mystery.

Wroxeter.

Our village still has a large number of visitors within its borders. They are all welcome.

Mr. Cameron, who was so badly wounded by Johnstone week before last, is slowly improving, and his recovery is now hoped for.

Mr. Alex. Gibson is, we are sorry to say, again prostrated by illness.

Mr. John Hooy, our Horse King, made another large shipment to Manitoba this week.

The Wroxeter oat meal mill is being run night and day to keep up with the

demand for the popular brand manufactured here.

Reeve Sanders is having the top of his large post office block re-covered with an iron roofing.

In shipping hogs last week Hamilton & Sanderson lost three porkers between the village and the station, the animals having died from the intense heat.

Some sweet-toothed persons broke into an apairy in town the other evening and stole all the honey, which, we understand, was a considerable amount.

The union picnic held here last week in Dr. Smale's grove came off very pleasantly. The charming little maidens from our sister villages looked very pretty.

The country is over-run with apple buyers. That is just the way with all Canadian enterprises—they are stifled in their infancy by sheer aggression. [Well, well! such an item of news from an avowed anti-monopolist like our esteemed correspondent!—Ed.]

Tom, from the north, paid our village a purely business visit this week. An appropriate placard for his horse would have been: "Hay wanted. Enquire within."

Lakelet.

Owing to the occasional absence, and at times being a little forgetful your correspondent has not been as faithful as he would like. As everything has assumed a bright aspect now and promises well for the success of all, Lakelet will try to send forth its news every week in the future.

Harvesting is booming here, and a bountiful one it is. Some who got an early start have finished, but the greater number will require a week and a half to get through.

The threshers, Scott & Brinkley, have done a lot of work around here. Grain is yielding well, the result giving general satisfaction to employers and employed. Mr. McKinney is also getting a new engine, and the spirit of rivalry existing among them will doubtless produce fast and cheap work.

To-night (Monday) intelligence has reached here to the effect that Willie, a son of Mr. Adam Scott, broke his arm by falling off a load of pease. We cannot elaborate as our information is limited, but we know that he went to Clifford to get the fracture attended to.

Saturday's dailies, containing a list of the successful candidates at the mid-summer examination conveyed glad tidings to our two students, Miss Elliott and Mr. Bert Dulmage, whose names were among the successful lot. When we consider the age, the time of attendance and the number slaughtered in the Province, our two deserve credit for their success attending them. We think it is their intention to resume their studies and next year worry the leaving examinations.

Applications for carrying the mail to and from Lakelet and Clifford were received at Ottawa up to some recent date. The result is that Mr. Halladay, who has been a faithful servant in that capacity since time immemorial, is to be superseded by Mr. Cyrus Horton, whose tender was the lowest of the three. Though apparently a snap it has its responsibilities, and we know that ere four years from the first of October next our new man will be inured to hardships and in him will be developed the highest virtues of endurance and courage.

NOTES.—Mr. Robt. Ferguson shipped some 60 head of cattle to Calgary last Thursday where they will have ample room to roam...Our hotel man, Mr. Lounsbury, has been away for some time. Mr. Haskett has been doing everything justice during his absence.

...Miss Crittenden, of Blyth, is spending some weeks visiting old friends and relatives here...Mr. Elmer Mahood occupied the pulpit of the Methodist Church on Sunday. His discourse was fluent and impressive...Water is very scarce around the hamlet except Mr. Dulmage's, and women have difficulty getting clean water enough out of the lake to do the washing...Mr. Carlton, our blacksmith, is one of the busiest men in town. He is evidently giving satisfaction and is working up a grand trade...Our shoemakers are quite busy and have men employed...Quite a nasty affair in the shape of theft has been engaging the attention of the public, and more especially of the implicated parties who are neighbors. At present it looks black, but we hope that time will unveil the mystery and that good feeling will be restored.
