## Newfoundlander Sustains Injury

Will Be Prevented From Wrestling For Some Time

Tuesday's mail brought information that Mr. William Goodland, son of Mr. W. H. Goodland, who has won much prominence as a amateur wrestler in Boston, met with a serious accident recently, when he dislocated his collar bone, which will put him out of the wrestling business for some time.

"Billy" is the 145 lb. wrestler for the Y. M. C. U., and his club has not lost a match this year, i.e., every club they wrestled they won by a majority. They defeated Marblehead Y. M. C. A., Harvard University and Andover College. Mr. Goodland won his matches in these three meets. Sam Anderson trained the Harvard boys, and Cyclone Burns is trainer for Andover. The Newfoundlanders threw the Andover man in 6 minutes.

He has been in three open meets. In the Irish-American contests at the Mechanics' Building, he got second place out of seven men.

At the Union Boat Club, Cambridge, he was second out of 6 men, and in the Clapp Memorial (Weymouth) championship, he won out, getting first place. He had to beat three fellows. He got afall on one fellow, a Turk, in 8 minutes; a decision in 10 minutes on a chap from the Clapp Memorial, and a 15 minutes decision on a chap from Allston at the Finnish gym.

The Andover man and the three at Weymouth were on the same day. These contests took place on a Saturday. He worked in the forenoon and took a train at 1.19 for Andover, and arrived there at 2.30, won his match during the afternoon. Left Andover at 5 and got back to Boston at 6.30. Reached Weymouth at 7.30, weighed in and cleaned out the bunch.

The last man had only wrestled once before he met the St. John's boy, while he was the fourth "Billy" tackled. He was the only one of his team to get a fall at Andover.

The following Wednesday he dislocated his collar bone and is out of the game for the balance of the season.

The New England championship and the Tech meet are on this week, but he will not be able to compete. He is greatly disappointed too, as his chances of lifting the 145-lb. championship of New England were particularly bright. There is also a meeting with Yale University, in which he will not be able to take part.

Mr. Goodland won two silver cups, a gold medal and a silver medal in the above contests.

## New Memorial C. E. Orphanage Is Contemplated

(Continued from page 1)

Discharged from Orphanage during 1913 . . . . . 10 3 16 In Orphanage 31st Dec., 1913 . . . . . 30 33 63

One girl was placed with a good family, and the other girls and boys were returned to their mothers. Several applications have been made by men wishing to adopt boys, which have had to be refused, owing to the extreme youth of the boys.

### Good Health Record

The Orphanage has been remarkably free from sickness, but the Hon. Physician has been most attentive when his services were required. In his report Dr. Anderson says: "There has been no epidemic disease amongst the children. The ordinary slight ailments have been satisfactorily cared for at the Orphanage."

"Three of the children have been under treatment for tubercular glands; when surgical aid was needed, they were treated at the General Hospital. One child now is awaiting admission to the hospital. Whilst 'tubercular,' his form was not considered contagious or dangerous in any way, and there was on attempt made at isolation."

"During my visits I have always found the children well cared for, and the Superintendents making every endeavor for their good."

### S. S. Orphanage League.

The accounts of this department show a record year, the collections amounting to \$884.15 (\$234.80 more than the previous year). There are now 181 schools enrolled, and the total receipts since the League was organized amount to \$3,004.45. The Superintendents and teachers of enrolled schools are to be congratulated on this excellent showing.

### The Treasurer's Statement.

The financial statement of the Hon. Treasurer shows a very healthy financial condition. Mr. Goodland's many friends in St. John's will learn of his accident with regret, and hope that he will soon be as well as ever. He intended visiting St. John's next month, but

fears that his mishap will necessitate the cancelling of his arrangements.

The expenditure for the year is \$360.33 lower than the previous year, although the current household expenses show an increase of \$555.97, due chiefly to the fact that a considerable amount of new clothing and beds were necessary. The income is \$139.77 less than last year. The numerous gifts in kind helped considerably to keep down expenses, and the Managers feel grateful for these donations.

### Domestic Management.

In this respect it has been rather an eventful year. Miss M. Anderson was taken seriously ill in June, and was forced to resign her position in August, as her health would not allow her continuing in office. She had held the position of Lady Superintendent since October, 1909, and the Managers wish to place on record their appreciation of her valuable services. Miss N. Weedon was in charge of the institution during July and Miss D. Strangman during August.

On 16th September Mr. John B. Wadland went into residence as superintendent, with Mrs. Wadland as superintendent of interior management and the girls section.

### Requests by WILL.

Under the will of the late Hon. J. S. Pitts, C.M.G., the charity is to receive the munificent bequest of \$2,000.00.

The late Mrs. Elizabeth Sloan left a legacy of \$218.00 to the Orphanage.

Under the will of the late Wm. A. Marshall the charity is to receive the munificent bequest of \$1,000.00.

### General Events.

The Sirius Concert Party under the management of Mr. Jack Rossley gave a variety entertainment about the end of October which netted \$120. Mr. Rossley has been very kind in inviting the Orphans to his theatre on several occasions, and the Managers appreciate his kindness.

An At Home was held in the Orphanage for the Sunday School Teachers of the Deanery of Avalon who were attending the Deanery Biennial Conference.

The Managers wish to thank their many friends in the Colony and elsewhere, and trust they will continue their support. The report is signed by Mr. Walter F. Rendell as Hon. Secretary.

### FIRST FOOTBALL MATCH.

The first football match for the season was played in Mr. John Dwyer's field yesterday afternoon.

Snow was falling for a part of the time but that did not lessen the interest.

The season has opened early. This promises to be a good year for football.

### MISSIONARY SERVICES AT GOWER ST. CHURCH.

Sunday will be observed as Missionary Day at Gower St. Church, Rev. J. S. Sutherland of the Presbyterian Church, will preach in the morning. At night there will be a platform meeting and several speakers will deliver addresses. Special music will be rendered.

### MAGISTRATE'S LEVEL.

A seaman, drunk and disorderly was fined \$5 or 14 days.

A 25 laborer, charged with vagrancy will likely be sent to the Poor Asylum.

A woman summoned another for assault and slander; defendant was fined \$1 or 3 days for the first offence and \$5 or 14 days for the second.
