COUNTY ITEMS.

From our Exchanges.

During the blow last week, water in the St. Lawrence was fully two feet higher than the day before.

The union cheese factory that was burned down in Holland last fall, is to be replaced with a new one.

Last week 182½ tons of poultry were shipped from Brockville to Boston, making a special train of 22 cars.

On Saturday, while skating on the Gananoque River, a son of Mr. Gilbert Belfie broke through the ice and was drowned.

Mr. James Rush, of Lansdowne, severely injured one of his eyes with a knife which he was prudently taking from a child.

Smallpox has broken out in Kingston. The first case was that of a nurse girl employed in the family of Sir Richard Cartwright.

As the township of Wolfe Island has refused to pay the \$200 assessment which it is claimed it owes the county. A suit has been entered to recover the amount.

Diphtheria prevails to such an extent in Ogdensburg that the city board of health have ordered all families in which the disease exists to make known the fact by placing a placard on some prominent part of their house.

At a recent meeting of the Washburn Cheese Factory, a statement was read showing the average for this factory to have been 9½ lbs. of milk to 1 lb. of cheese, and the net profits to have been 8½ cents for every 10 lbs. of milk.

The law requires that every person who takes in a stray animal must notify the township clerk of his municipality of the fact, in addition to advertising it and giving a minute description of the animal. The clerk is required to keep a list of all such. Persons neglecting to comply with this provision of the law, leave themselves open to a heavy penalty, and besides cannot collect expenses for keeping.

Many farmers throughout the county are holding back their grain in the hope of obtaining better prices. The prospect, however is not encouraging, and no doubt many will be forced to sell at present prices. This is not what the N. P. promoters promised, and the farmers are now generally agreed that N. P. means No Prices.

The following from the Canadian American, respecting Mr. E. L. Chamberlain, will be read with interest:—"This gentleman has made many warm friends in Chicago. He is originally from the town of Prescott, but for a time resided in Toronto where he studied the profession of barrister and attorney at law with Stephen Richards. Previous to beginning the study of law he was successively principal of Ingersoll, Gananoque and Morrisburg high schools, and in every respect won the esteem of all about him. At the meeting of the Canadian American Society he was elected to the honorable position of President.
