Try the Curtin Test

Invite a friend to be present who knows music thoroughly. Conceal the Heintzman Player Piano before hand with a curtain. Have some behind the curtain, or be there yourself to play it.

Your Musical Friend Will Think a Skilful Pianist is Present

The Heintzman Player lets you, without previous lessons, play good music to your heart's content. It satisfies your "harmony hunger" and overcomes the handicap that lack of musical training imposes. At the same time it can be played as an ordinary piano, the change being made in an instant.

There are other good Players, but none so near perfection as the Heintzman. Step into our Store and hear the one in the window—a pleasure to play it for you.

46 Years of Fair Dealing

WOLFVILLE

Dr. R. V. Jones and Mrs. Jones have returned to their home in Wolfville after spending the winter with their daughter, Mrs. Margeson at Berwick.

A recent casualty list contains the name of Lieut. Robert R. Murray of Springhill among the wounded. Lieut. Murray was with the Canadian Engineers and only a few months ago was awarded the Military Cross for gallantry at the front. Lieut. Murray for a time was in command of a detachment of Engineers at McNab's Island. Lieut. Murray is a graduate of the Halifax Technical College and of Acadia College.

Mrs. J. G. McCorry, Mumford Road, Halifax, formerly of Wolfville, received a telegram from Ottawa, informing her that her son, Private J. D. McCorry, had been wounded and was admitted to No. 14 General Hospital, Vimereaux, April 15. This is the second time he has been wounded. Mrs. McCorry has another son also doing his "bit" somewhere in France.

An announcement of Kent Lodge will be found in our columns. Mrs. E. Taylor has leased this popular tourist resort and well conducted boarding house for a term of years. We feel sure the usual patronage will follow Mrs. Taylor.

Sir Charles Townshend and Lady Townshend will not come to Wolfville this year until the middle of May or thereabouts.

Graduating Recitals have already commenced at Acadia Seminary. On Friday evening Miss Vera Parker, reader assisted by Miss Edith Staples, mezzo-soprano gave the first recital. This Tuesday evening Miss Laurie Barron, pianist and Miss Leah Whidden, reader, will hold their graduating recital in College Hall.

Dr. Purvis Smith left last week for his former field of hospital mission work in China. He will have charge of a large Methodist Hospital and is a man well qualified in every way for his work. During his stay at Wolfville, Dr. Smith proved himself a medical specialist of great value to any community. He also did a noble work in carrying on mission work at Bishops Mountain. Mrs. Smith will remain in Wolfville.

Mrs. Frank Earle Porter who has been at North Sydney with her parents Rev. J. W. and Mrs. Prestwood came to Wolfville a week ago to visit her husband's relatives. Immediately after her arrival she learned of the wounding of her husband and then later came the sad news of his death from wounds in a hospital. The sorrowing wife and his parents, have the deepest sympathy in their irreparable loss.

WESTERN COUNTIES

BOARD OF TRADE

The annual meeting of the Western Counties Board of Trade took place at Wolfville last Tuesday and was a most successful one. Delegates were present from Bear River, Annapolis Royal, Bridgetown, Middleton, Kentville, Wolfville and Hantsport Boards.

President H. Calkin gave the address of welcome.

After routine business a report was received from the committee on immigration and returned soldiers. The report asked that the Boards of Trade co-operate with the government in taking an active part in preparing descriptive matter of the farming districts and also obtain lists of the farms for sale. By resolution, this report was received and the committee made a standing one to carry out the work outlined.

P. A. Murphy, Dominion Plant Pathologist, spoke instructively on control of potato disease, a matter in which everyone is interested this year.

The Bear River board brought in a resolution approving of the suggestion to make the Daylight Saving Scheme apply to the whole Dominion. Passed.

P. R. Bentley of the Middleton board brought up the question of greater effort to induce former Nova Scotians now living in New England to return to their native province and settle.

Prof. Coit, Prof. Perry and others spoke on the importance of protecting our birds.

"The Credit System" and Rural Co-operation with the work of Boards of Trade were subjects presented by Messrs. G. E. Roy and W. S. Blair of the Kentville Board. The publication of these papers was asked for.

Fuel Supply for Annapolis Valley and Train Service between Middleton and Annapolis were discussed.

Luncheon was served by the Wolfville Board at the Royal Hotel and excellent addresses given by several.

On Wednesday morning a fine auto ride was given the delegates to the places of interest around and overlooking the town.
