New Minas Items. Summer visitors are arriving. Mrs. Lucius Bishop's daughters, Mrs. F. R. Gould and Miss Emma Bishop, arrived home on Monday from Waltham, Mass. With them are Mr. Gould, Mr. Le Woolly, and Mrs. Davis and daughter, all of Waltham. The whole party is domiciled at Mrs. Bishop's.

Mr. and Mrs. Gasper Roy, who went on the excursion from Kentville to Parramore last week, returned home on Tuesday. They report a most enjoyable trip.

The New Minas school, Miss Woodruff-teacher, held its annual examination on Friday last. The exercises throughout were very interesting, but special mention should be made of the lessons on national loyalty taught through the medium of the British and Canadian flags, which were conspicuously displayed over the school room. The little ones are taught the significance of the term "Union Jack," also to understand the Canadian coat of arms, combining the emblems of the different provinces. Within the last month, at the teacher's suggestion, the children have earned money enough to purchase a Canadian flag for the school house, and this erected on a new flag pole, floated gracefully over the building on Friday afternoon.

A very large number of visitors was present at the examination, several of whom made appreciative remarks at the close of the exercises.

On Sunday evening, July 2nd, "Children's Day" in connection with the Sabbath-school was observed by appropriate exercises in the Baptist church. The singing and recitations by the S. S. children were highly entertaining, and must result in a deepened interest in the Sunday-school, on the part of both parents and children.
