The Outdoor Rink

To the Citizens of Wolfville— Ladies and Gentlemen: As mentioned elsewhere in this paper, I have been appointed by the playground Committee of the Civic Club chairman of a

Committee of the Civic Club chairman of a Committee to arrange for an outdoor rink in the School grounds. Permission has been granted by the Team Council and the side boards used by the College for their rink will be purchased.

My object in writing this letter is to ask these who are interested to contribute to a fund for this purpose. It is hoped that the citizens will so support this plan that it will not be necessary for the committee to make a canvas of the town; but that sufficient funds will be forthcoming in response to the appeal to pay for the boards and other equipment and to hire a max who will make the ice, and with the as sistance of the older boys of the school supervise and keep it clear of snow. upervise and keep it clear of snow.

I believe that a time table can be arranged so that all children, large and small, boys and girls, may have an equal chance and I will do my best to see that this is carried out. No time is to be lost if we are to obtain the benefit of the rink this eason, therefore please leave your contribution, which will be acknowledged through THE ACADIAN, with Grant Porter, treasurer of the fund

Respectfully submitted
E. PERCY BROWN.

excellent and the play fast throughout the whole game. R. C. Praser, of Acadia refereed most satisfactorily.

The local team started the game with a rush and Beardsley scored twoce in the first ten minutes. Eaton scored for Canning and Beardsley followed three minutes later with another. The visitors improved their combination at this point and carried all before them. Houghto seering once and Kinsman twice. The coring once and Kinsman twice. The period ended with the score 4 to 3 in avour of Canning.

In the second period Wolfville's team-work improved, Beardsley scored two more goals putting the home team in the lead. Fraser then worked the puck up the ice and scored on a long wing shot. Canning tried hard to score but failed.

In the second period Wolfville's teamwork improved, Beardaley scored two more goals putting the home team in the lead. Fraser then worked the puck up the ice and scored on a long wing shot. Canning tried hard to score but failed. Mason made a pretty dash and netted the puck just before the period ended, making the score 7 to 4 in favor of the home team.

In the third priod the play was strenuous and more equal than the score would inidicate. The visitors put up a big fight but were unable to get past Wolfville's defence. Thaley made a pretty run throug Canning's defence and scored after four minutes of play. On a long shot Fräser got the puck near the goal and after making one of the prettiest rushes of the game, carried the puck to Canning's goal and scored. Kennedy scored twice before the period ended, making the final score 11 to 4 in Wolfville's favor.

Though very keen the contest was clean from the start to finish. Eaton Houghton and Kinsman appeared best of the fast bunch of visitors, while Fraser for the home team. WESTWOOD HOSPITAL.

The following clipping was taken from an article on the Annapolis Valley written by Mr. Morgan Tamplin in the Committee on Finance Mrs. Harriet written by Mr. Morgan Tamplin in the Simson, Miss Alice Fuller, Messrs. L. New Year's Edition of the Morning

While the proposition of a Western ommittee on Underdraining—Messrs. King's Memorial Hospital has engaged Stephen G. Stewart and Scott L. much attention during the year and has reached the stage of selecting the site Rev. G. W. Whitman and Miss Stuart in Berwick, Wolfville finds itself blessed with a hospital which is gradually and a day to be known as Commemoration surely winning for itself a unique record.

Day and to notify all Lot Holders that It is the Westwood Hospital which was they are to beautify their lots and assist started in Dec. 1918 by Dr. A very DeWitt. During these two years it has been a great boon to the town, a valuable education boon to the town, a valuable education to the local doctors who assist at the operations, and a blessing to the many people needing surguical attention and, unable to travel to a more distant place, made a speedy and successful recovery here. Dr. J. C. MacDougall, and Dr. H.K. McDonant, and other prominent surgeons who have done a large number of the major operations in this Hospital, speak in the highest terms of the attention given to the patients, of its splendid given to the patients, of its splendid staff of nurses, and dietetic departments.

From its meant and the result was that the Council spacious sun porches can be seen the decided by an unanimous vote to pay the cases, and all of them have made good recoveries. - This is a remarkable record and goes to show that, combined with the good attention the patients have received. Wolfville is an ideal place for convalescent patients. There is not the slightest doubt patients. There is not the slightest doubt also that Dr. DeWitt has proved that a hospital in this part of the country is an absolute necessity, and this fact should slimulate the public in the near future to assist in promoting, on a larger scale, an institution which cannot fail to bring a blessing and credit to our fair town.
