A STATESMAN

A Statesman is a man, my friends. Who truly loves his nation; To all God's law he has respect, And walks in His Salvation

He very very clearly sees Just how to build a nation; And so the first thing that he does Is lay a good foundation.

By preaching God's commandments

He has it proper silled; He looks for good material, And then begins to build.

He will not build with wood or hay, Or any thing like stubble; That kind of thing will not stand fire Twill go up like a bubble.

He builds with silver and with gold And with the precious stone; He says the nation must be saved

With Blood that doth atone. He prays the prayer King. David

prayed, In Psalm 144; And for the nations every day, His heart to God out pour. You see my friend he's quite a man

To make the devil roar. He says eradicate the wrong And build up all the right; Now if you'll bring out such a I'll go vote with delight.

This Letter Tells How It May be Overcome—All Mothers Interested.

Toronto, Ont.—"I have suffered since was a school girl with pain in my left side and with cramps, growing worse each year until I was all run down. I was so bad at times that I was unfit for work. I tried several dotters and patent medicines, but was only relieved for a leaver time. Some

medicines, but was only relieved for a short time. Some of the doctors wanted to perform an operation, but my father objected. Finally I learned through my mother of Lydis E. Pinkham's Vegetable Compound, and how thankful I am that I tried it. I am relieved from pain and cramps, and feel as if it has saved my life. You may use my letter to help other women as I am glad to recommend the medicine."—Mrs. H. A. Gooman, 14 Rockvale Ave., Toronto.
