First get some Taylor's Borax Soap (1 cake will be about enough if you have been accustomed to using 2 of the ordinary kind). Do the woollens first because they take longer to dry. Make a strong suds, using lukewarm water, and put in the flannels. Let them soak for a few minutes, then rub gently by hand. Don't rub the soap on the flannels and don't use a wash board. Rinse in lukewarm water, wring out and dry as quickly as possible. Woollens washed with Taylor's Borax Soap never shrink, feel softer and look better. 5c a cake at all grocers'. Try one. It softens the water and won't hurt your hands.

It seems to be of the nature of a biographical dictionary, for it contains a list of the leading men of the time of art, state-manship and warfare with much other general information of a similar nature.
