SPECTACLE and EYEGLASS
 fitting is not perfect unless the frames or mountings are properly adjusted, and that requires the expert hand. The beneficial effect of a correct glass may be upset by an ill fitting frame. It has been my special work for over twenty years to correct troubles emanating from eyestrain, and placing the proper lenses in the most suitable and becoming frame or mountings. All my work is guaranteed.
R. H. TRAPNELL, Eeysight Specialist.
