

## Newfoundlander Drowned.

Gloucester, Aug. 26.—After more than 20 years spent in battling with storms at sea, Simon Nolan, a fisherman of Salmonier, Newfoundland, was drowned in the harbor here some time last night or early this morning, the most distant distance of the shore. Nolan was last seen shortly before midnight on the fishing steamer P. S. Willard of Newport. He announced his intention of going ashore and disappeared. When he failed to report this morning his son, Edward J. Nolan, also a member of the fishing vessel's crew, became alarmed and notified the police. The water in the vicinity of the wharf where the vessel lay was dragged, and about noon Nolan's body came to light. The verdict of death by accident was given by the medical examiner. Nolan was 56 years old, and besides his son he leaves a widow and four daughters, all of whom make their home in Salmonier.

## Free Nickel Tickets Welch's Grape Juice!

When you buy WELCH'S GRAPE JUICE you are buying QUALITY. When you buy inferior brands of Grape Juice containing a cent or two a bottle less than WELCH'S, why not buy a five cent bottle of Red Ink instead and be done with it. You won't notice the difference in the flavor.

WELCH'S GRAPE JUICE has come to stay, and next season I have plans for starting some premium scheme in connection with WELCH'S along the lines of that one so excellently conducted by The Imperial Tobacco Co. (Nfld.), Ltd. For the balance of this year I will exchange tickets at The Nickel Theatre for labels from WELCH GRAPE JUICE bottles; one ticket will be given for the following number of labels:

- 5 Labels from the Half Gallon size, or
- 5 Labels from the Quart size, or
- 10 Labels from the Pint size, or

- 30 Labels from the "Nip" (4 oz.) size.

If tickets are preferred at any of the Five cent theatres only half the number of labels given above are required for One ticket.

Labels from the outports received through the mail will be redeemed for Cash—the number of labels required for one Nickel ticket having a Cash value of 8 cents.

**IN ADDITION TO ABOVE: TO THE PERSON COLLECTING THE GREATEST NUMBER OF THE TIN CAP STOPPERS FROM WELCH GRAPE JUICE BOTTLES BETWEEN THIS DATE AND DECEMBER 1ST I WILL PRESENT—**

## TO-DAY'S Messages.

11.00 A.M.

### ON ALL FRONTS.

**LONDON, To-day.**  
The Balkan situation again looks large on the horizon of the world war with an official announcement from Paris that the Bulgarians have attacked Drama and Thessalonika, both of which are garrisoned by Greek troops. This announcement is confirmed by press despatches received from Greece during the last few days, in which it was said that fighting was in progress between the Greeks and Bulgarians. It is reported that these attacks on Kavala, Thessalonika and Drama were part of a plan to capture the city of Thessalonika, which was one of the claimed fruits of victory, and its concession to Greece has been a source of much ill-feeling between the two countries. Apparently from the French statement the Allied troops do not plan advance on the right wing as British cavalry detachments are reported to have destroyed the bridges over the Angora River. The left wing, Paris reports, appreciable progress for the Serbians and the capture of several hundred prisoners. In the centre, where the main effort of the Allies is expected, heavy artillery action is taking place, but there is no report of infantry operations. The battle on the Eastern front continues, but the renewed offensive by the Grand Duke Nicholas in Armenia still grows in extent. The fighting in the region of Lake Van is described by Petrograd as a crushing blow to the Turks. Russian military critics predict the reconquest of the Grand Duke's march toward Asia Minor. The usual inactivity occurred on the Western front following the Allied report of the reports by Paris and London are partially confirmed by Berlin on Thursday. The Germans have attempted a surprise blow at the French point on the famous St. Michel salient. This salient juts far into the French line southeast of Verdun and has been the scene of some of the bloodiest fighting in France. The force of the German blow carried them into the French trenches, but according to Paris they were immediately ejected by a counter attack. London has once again been the target for a Zeppelin raid and as usual the accounts issued in Berlin and London conflict strongly. Berlin claims the British capital was heavily bombarded by several naval dirigibles and that batteries and vessels were struck. According to London only one of the attacking Zeppelins reached the outskirts of the city. The material damage caused by the attack was slight; eight persons were killed and 35 injured, according to the British version.

### BULGARIANS TAKE GREEK PORT.

**PARIS, To-day.**  
The Bulgarians have attacked and captured the Greek port of Hartilla, after killing its commander, Changas, and the entire garrison, which offered spirited resistance, says a Saloniki despatch to the Matin. The despatch is dated August 2 and was delayed.

### NEW ZEALAND STATESMAN DEAD.

**WELLINGTON, N.Z., To-day.**  
Sir George Maude O'Keefe, Speaker of the New Zealand House of Representatives, is dead.

### CRITICAL GRACEO-BULGARIAN SITUATION.

**ATHENS, To-day.**  
Col. Christodoulou has issued an explanation of his action in resisting the Bulgarians and says that the Bulgarians, owing to the resistance offered by Greek forces at Thessalonika and Storchista, took the eighteenth Greek Regiment stationed at Demir Hissar prisoners of war. Subsequent to this the Colonel was surprised to receive on Friday night at Seres a visit from a Bulgarian officer representing the commander of the Bulgarian forces advancing toward the town. The Colonel replied that before he could discuss any such matter the question of the imprisonment of the eighteenth Regiment must be solved. The Colonel said he had no choice but to continue to offer armed resistance. Despite reports to the contrary the Greek Division still continues to oppose the invaders and no orders have been issued to it to desist. Ex-Premier Venizelos, interviewed to-day, said the situation had entered a critical and new stage this morning. The chief-tain of the Liberal Party received a deputation representing a popular organization in Athens and Piraeus. The spokesman dwelt on the misfortunes which menaced Greece, and Venizelos replying said he was not against the expression of popular feeling by the people at the same time advising calm and orderliness. He said the Allies have given back freedom to Greece and that liberty should be used to bring home to a sense of their responsibilities those who brought about the present deplorable situation. It is likely there will be a great popular demonstration here on Monday.

### POPULAR MEETING AT SALONIKI.

**SALONIKI, To-day.**  
A large and popular meeting was held here last night to protest against the occupation of Greek territory by the Bulgarians, and was followed by a demonstration for Venizelos and the singing of the national hymn. The crowd then marched to the headquarters of General Serrail, the Entente Commander, and sang the Marseillaise. A formal protest against the Bulgarian occupation was drawn up and left with the prefect of police.

### MINOR ACTIONS ON WEST FRONT.

**PARIS, To-day.**  
After an intense bombardment last night the Germans launched an infantry attack west of Tabbure in the Champagne. They penetrated the French position, the War Office announced to-day, but subsequently were expelled. German attacks on the Somme and Verdun fronts were repulsed.

### INDIVIDUAL OPINION.

**NEW YORK, To-day.**  
A London cable to the Tribune says that Col. Repington, one of the keenest military observers in this country, though reasonably assured of the success of the Allies, believes the end

is still far away. He said to-day he holds that the Allied superiority in the field is inadequate still. An American just back from Berlin says that Germany is starved from starvation, though the people are peevish over the lack of variety in their food.

### GERMANY AND HOLLAND.

**LONDON, To-day.**  
The Times prints the following despatch from its Berlin correspondent: "The German violation of Dutch territory by Zeppelins continues without regard for Holland's position and interest. No attention has been paid to repeated protests against the presence of Zeppelins over the Netherlands, whether going or returning from their expeditions. This morning, with indifference to Dutch rights or susceptibilities, a Zeppelin on its return from England manoeuvred above the Netherlands capital, while other Zeppelins were reported elsewhere over Holland. It would be a mistake to suppose that these incidents are purely accidental. The German press has lately made threats against Holland which are particularly significant when compared with the fact that the Zeppelins are being used to carry out German military plans. Meanwhile Germany continues at the same time to violate Dutch territory and to quarter her children on Dutch charities."

### ON THE WESTERN FRONT.

**PARIS, To-day.**  
A German attack on the "Somme" was made at Hill 121 near the town of Marbais recently captured by the French. On the Verdun front, east of the Meuse, the Germans attacked the French at Fleury and Thiaumont after a heavy bombardment, but were unable to make an advance. Aerial engagements occurred all along the front. Thirteen German aeroplanes were shot down in the Somme sector, one near Craton and another on the front. Two German aeroplanes were damaged and two German captives balloons were destroyed.

### BRITISH AEROPLANE RAID.

**LONDON, To-day.**  
British aeroplanes have made an dash over Belgium on this occasion penetrating to the vicinity of Namur, 36 miles southeast of Brussels and bombarding German airship sheds; one aeroplane is missing.

### THE ENTENTE POWERS & GREECE.

**ATHENS, To-day.**  
The present political and military situation, says the Paris, has resulted in an exchange of views among the Entente Powers regarding the attitude to be taken toward Greece. It is questioned by the Entente Powers, the newspaper states, whether the measures agreed to by Greece in response to the demands of the Allies, including the demobilization of army and a Government offering all necessary guarantees for the neutrality, are now sufficient in view of her new situation.
