

**EMIGRATION WESTWARD.**—Western papers announce that spring emigration westward has already set in, and parties are moving from the Central States to the Mississippi, Missouri, and far beyond. These are not foreign emigrants, but chiefly Americans by birth. In consequence of the stagnation of business, and the hard times in the New England and other Atlantic States, and the absence of both in the West, it is expected that the tide of emigration westward this season will be greater than it has ever been known before. It cannot be long before the whole valley between the Mississippi and the Rocky Mountains will be crowded with a teeming population.

Mrs. John Morrissey's private coach harness and horses are the last sensation in Troy. The Times of that city says:—"The harness is gold and silver mounted and cost \$1,000; the coach, a Clarence C spring, is richly trimmed with gold, silver and silk, and cost \$2,000. The horses to match this equipage were a present to Mr. M.—the one, a fine gray, from Commodore Vanderbilt, and the other, a black, from Henry C. Genet, of New York. The turnout, as a whole, might do for royalty itself. In addition to this Mr. Morrissey's son has a little stallion at the stable not much larger than a Shetland pony, that is a marvel of beauty, and can, it is said, trot his mile in 2:40."

Consecon, Prince Edward Co., C.W. }  
March, 1867. }

Messrs. Young & Chamberlain, Sirs—Having procured within my own person that there is at last a medicine that will indeed cure Liver Complaint and Dyspepsia. I am induced to make this statement, under oath, which is to certify that I have been sorely afflicted for the last three years, according to the Doctors' statements, with Liver Complaint and Dyspepsia. I had a feeling of sinking and vague uneasiness about the stomach, worse than pain, eructations of wind, occasional pain, drowsiness, constipation, uneasiness in the right side, headache, poor appetite, &c., and was greatly reduced in strength. Hearing your new Indian medicine, the Great Shoshonee Balm, spoken of so highly, I tried a bottle with your Pills, from these I must say I found but little change, but I took another and the four health improved very much, continued it until I have taken about ten bottles, using the Pills, and I find that I have quite recovered. I can eat without pain or uneasiness. I am well and have pleasure in attending to my business. The doctor remarked to me I was looking much better. I told him that the Great Shoshonee Balm was doing it. I have recommended the Balm in several cases, and it has invariably given good satisfaction, and I would strongly recommend it to all afflicted as I was.

Sworn before me at Consecon, C.W., this 2nd day of March, 1867.

**BRISTOL'S SUGAR-COATED VEGETABLE PILLS**

THE need of a safe and perfectly reliable purgative medicine has long been felt by the public and it is a source of great satisfaction to us that we can, with confidence, recommend our Bristol's Sugar-coated Pills, as combining all the essentials of a safe, thorough and agreeable family cathartic. They are prepared from the very finest quality of medicinal roots, herbs and plants, the active principles of which contain the most valuable vegetable and mineral ingredients, and are free from all the deleterious effects of the most common purgatives. Among these medicinal agents we may name PODOPHYLLIN, which has been proved to possess a most wonderful power over the Liver, and all the bilious secretions. This, in combination with LEPTANDRIN and other highly valuable vegetable extracts and drugs, constitutes a purgative Pill that is greatly superior to any medicine of the kind heretofore offered to the public. BRISTOL'S VEGETABLE SUGAR-COATED PILLS will be found a safe and speedy remedy in all such cases as

*Piles, Headache, Jaundice, Heart burn and Flatulency, Bad Breath, Foul Stomach, Loss of Appetite, Liver Complaint, Habitual Constipation, Dyspepsia or Indigestion, Female Irregularities, Dropsy of Limbs or Body, and all diseases of the Stomach, Liver, Bowels and Kidneys*

In diseases which have their origin in the blood, Bristol's Sarsaparilla—that best of blood purifiers—could be used with the Pills; the two medicines being prepared to act expressly in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and in most cases a cure, can be guaranteed when the patient is not already beyond human help.

**ALLEN'S LUNG BALSAM!**

THE REMEDY FOR CURING Consumption, Coughs, Bronchitis, Asthma, Croup, Diseases of the Throat, Pains and Oppression of the Chest or Lungs, Difficult Breathing, and all the Diseases of the Pulmonary Organs.

THIS Balsam is introduced to the suffering public after its merits for the positive cure of such Diseases have been fully tested. The formula from which it is prepared is referred to by the leading medical journals as being equal to any prescription that can be made up for such diseases by the medical faculty. The Balsam is, consequently, recommended by the most eminent of our countrymen, and has been long and successfully used by the most distinguished of our countrymen.

As an Expectorant it has no Equal. It is composed of the active principles of the most valuable and Placids, which are chemically extracted, so as to retain all their medicinal qualities.

Ministers and Public Speakers, who are so often afflicted with Throat Diseases, will find a sure remedy in this BALSAM.—Lozenges and Wafers sometimes give relief, but this BALSAM, taken a few times, will insure a permanent cure. Will the afflicted clergyman please test its merits?

**TESTIMONIALS OF PHYSICIANS.**  
Dr. Nathaniel Harris, for many years a resident of Middlebury, Vermont, recommends the Balsam as being superior to all other remedies for Bronchitis. He says:—"I have no doubt it will soon become a classical remedial agent for the cure of all diseases of the Throat, Bronchitis, Tubercle and the Lungs."  
Dr. Lloyd of Ohio, surgeon in the army during the war, from exposure contracted consumption. He says:—"I have no hesitancy in stating that it was by the use of your Lung Balsam that I am now alive and enjoying health."  
Dr. Fletcher, of Missouri, says:—"I recommend your Balsam in preference to any other medicine for Coughs, and it gives satisfaction."

**DR. A. L. SCOVILL,** who has for many years been known to the public throughout the United States as the inventor of remedies for the Lungs, recommends ALLEN'S LUNG BALSAM as surpassing anything that has ever been offered to the public for the cure of Lung Diseases. He has used it in his own family with great success in the case of his sister, who was supposed to be in the last stages of consumption. This lady is now well, and has been permanently cured by ALLEN'S LUNG BALSAM.

Physicians who have failed to cure their patients should try this medicine before they give the case up, as we know very many valuable lives have been saved by being persuaded to give it a trial. DON'T DESPAIR because all other remedies have failed, but try this remedy, and you will not be deceived. SOLD BY ALL DRUGGISTS.
