NOT MERELY A RACE MEET

The Canadian Courier, in commenting upon the effect of the amended racing bill, makes reference to the exhibition at various fairs throughout the Dominion in this way: "What are the exhibitions at Winnipeg, Regina, Calgary and Edmonton but annual races under the guise of an agricultural and industrial show?"

WHO GOT THE COMMISSION?

The five per cent bonds of the A. & G. W. guaranteed by the province sold in the London market for 110 and 115, and the province got par for the bonds.

TO BE POLITE

To be polite though by wire will be the result of this new lettergram scheme that has been adopted by the C.P.R. telegraph company.

THE HUDSON'S BAY ROUTE

The press in the west, and to a lesser extent the press of the east, marvel very much at a somewhat remarkable editorial in the Toronto Globe, condemning in sweeping language the proposed Hudson Bay railway.

DECREASE IN CRIME

A comprehensive analysis of the state of crime in England and Wales in 1908 was issued as a parliamentary blue book recently.

THE CALGARY UNIVERSITY

The Calgary university is almost a fact now. No project was ever before launched in this city which appealed to the people so greatly.

EDITORIAL NOTES

LETTERS TO THE EDITOR

Unsatisfactory Condition of Our Police Station

Dear Sir:—Your photo in today's Albertan of a prison cell in our local police station, and your subsequent comment on inopportune accommodation provided by Dan Justice to her unwilling guests, recalls to mind an anecdote of the great Napoleon.

HISTORICAL

The Jail Cells

Editor Albertan:—As one who takes a proper share of civic pride in the rise and progress of our "Sandstone City," I must confess that I could not but experience a blush of shame and humiliation as I read in the Albertan of this morning, your scathing comments on the odious, disgusting, loathsome, abominable and barbaric conditions prevailing in the department allotted to prisoners at the police station.
