FIRE PREVENTION

EXTRACTS FROM
PROCLAMATION
Issued by His Honour the Lieutenant-Governor General of the
Province of Ontario
Whereas next to the care of those who are offering their lives on
the front line of battle, the conservation of all our energies and sub-
stance is our most important problem.
And whereas the saving of human life, thrift, and the prevention
of loss of property through destruction by fire, is an aid which every
one should give willingly to the community at large.
And whereas the reckless and impoverishing fire waste that con-
fronts the people of our Province is appalling;
Therefore, believing that the loss can be minimized only by
'tawakening in the public mind a universal watchfulness against care-
lessness, accumulation of rubbish and unsanitary conditions;
Because of this great need and in order to arouse a sense of
watchfulness, carefulness and cleanliness, and to create a greater per-
sonal responsibility in reducing the number of fires;
We have thought fit, by and with the advice of our Executive
Council for Our Province of Ontario, to name, and do hereby name
Wednesday, the
9th DAY OF OCTOBER, 1918
AS
FIRE PREVENTION DAY
And We do hereby urge that on this day, throughout our Pro-
vince of Ontario, attention be called in schools and public places to
the conditions that exist and to the need of immediate action and
co-operation on the part of everyone; and special exercises, address-
es and other means be employed to impress on the public mind les-
sons of Fire Prevention.
To insure the success of this great Clean-up Campaign it will be
necessary to have the hearty and harmonious co-operation of all who
have for their objects civic, social and industrial betterment.
The Proclamation should be read in all Schools and at Public
Gatherings.

Department of the Attorney-General Deputy Fire-Marshall
Toronto, Sept. 21st, 1918.
