Rheu matism.

No Pay Until You Know It.

After 2.000 experiments. I have learned how to cure rheumatism, not to turn boney joints into flesh again; that is impossible. But I can cure the disease always, at any stage, and forever.

I ask for no money, simply write me a postcard and I will send you an order on your nearest druggist for six bottles of Dr. Shoop's Rheumatic Cure, for every druggist keeps it. Use it for a month, and if it does what I claim, you pay your druggist \$5 50 for it. If it doesn't I will pay him myself.

I have no samples. Any medicine that can affect Rheumatism with but a few doses must be drugged to the verge of danger. I use no such drugs. It is folly to take them. You must get the disease out of your blood.

My remedy does that, even in the most difficult, obstinate cases. No matter how impossible this seems to you I know it, and I take the risk. I have cured tens of thousands of cases in this way, and my record shows that 39 out of 40 who get those six bottles pay, and pay gladly. I have learned "You get me a revolver" he shouted. that people in general are honest with a physician who cures them. That is all I ask. If I fail I don't expect a penny from you.

Man Who Wanted to Commit Suicide Becomes a Convert.

Chicago, April 30.-Charles Ludevig, a would-be suicide, threw the congregation of the First Methodist Church, Clark and Washington streets, into a panic on Sunday night, says the Chicago Inter-Ocean. While the congregation looked on in consternation and fear, Rev. Dr. John P. Brushingham, pastor of the church, argued the man out of his decision, and in ten minutes had converted him.
