PLENTY OF HAY **BRISK DEMAND**

LOCAL MARKET.

London, Friday, April 3. There were nearly 40 loads of hay on the stand today, and there was a brisk demand for the same. Prices steady to ranged from \$13 to \$15 50; most of the sales were made, for the choice loads, at \$15 per ton. Straw was in better demand today than on any day this week. Prices were higher at \$7 50 to \$8 per ton.

There was a light supply of oats, and there was no change in price; sales were made at \$1 54 to \$1 57 per cwt. Mr. McIntyre will pay \$5 75 per cwt. for live hogs-delivered here on Monday. This is 25c per cwt. of an in-

crease over last Monday's prices. There should be a fairly large market tomorrow. Butter, eggs, poultry and dressed hogs should sell well.
