CANADIANS RETURNING HOME IMPROVE REALTY MARKET

London Board Decides On Advertising Campaign at Monthly Meeting.

BACK HOTEL PLAN

Due to the large number of Cana dians returning to this country from the United States, the real estate market has been very active of late, according to a report made to the London real estate board last night at its regular monthly meeting, in the office of Harry Siemon, president of the board.

A number of applications for mem-bership in the association were ap-

Besides routine business, the meet-Besides routine business, the meeting took up the question of the use of the term "Realtor" by some real estate agents who are not members of the National association of real estate boards. It was felt that some definite measure should be taken towards confining the privilege of usdefinite measure should be taken to definite measure should be taken to wards confining the privilege of using this name to agents who belonged ing this name to agents who belonged ing the board, an organization with to the board, an organization with definite aims and ethics.

definite measure should be taken to definite measure should be taken to be a confident with the confident and provided the privilege of using the confident with the confid

definite aims and ethics.

Following up this line of thought the board decided to advertise in the city papers, in order to acquaint the public with the aims and ethics of the board and the reasons for its existence.

deavor.

The meeting went on record as feeling the great benefits derived from the attendance of the London delegates at the Detroit convention of the National association of real estate boards. More than 6,000 real-tons attended the Detroit meeting, actions attended the Detroit meeting, actors attended the Detroit meeting, ac cording to reports made at las

Rev. A. M. Wilson Tells London Audience of Mission Work.

That the dark days of rebellion were now over, and that Ireland will leader of the opposition in the last shortly come into her own, was the parliament, message delivered to an attentive audience last night in Cronyn hall by the Rev. A. Mercer Wilson of the Irish church missions.

Irish church missions.

"Although during the days of the rebellion the Sinn Feiners invariably chose to attack Protestant property, this feeling of antagonism is largely being overcome by our mislargely being and Mr. Wilson, "I have had been a pleasant duty and he hoped to be able to do more for the men who had fought overseas. He felt confident that Canada wanted to treat the soldiers fairly. Dealing with tariff matters Mr. White declared that factories were closing and that the emigration to United States was too large. He contended that tonnage had decreased on the railroads and could see only disaster ahead unless the tide was swung by a change in government. He argued that returns

the board and the reasons for its existence. The new London hotel proposition was discussed and it was decided unanimously to give general and whole-hearted support to the London chamber of commerce in this endeavor. The meeting

At Byron sanatorium last night Frank White, Conservative candidate in London, and A. King Hodgins, the Conservative candidate in East Middlesex, declared that in their opinion the only possible salvation for Canada and the only way in which the young nation could be saved from otal financial bankruptcy was by the election of these two men as members of the next parliament and by the return of the Meighen forces to control at Ottawa. Both speakers reiterated much of the "blue ruin" talk which has been broadcast by their leader, Hon. Arthur Meighen,

Mr. White emphasized the work that he had done at Ottawa in behalf of returned man and in aiding them in securing pensions. He declared that this had been a pleasant duty and he hoped to be able to do more

ing attacked by the Sinn Fein element.

"The Roman church has lost her former absolute sway over the populace, particularly the republican workers, although the clergy are divided on the merits of the Free State and republican systems," continued Mr. Wilson."
