Dear Sir—
I feel it my duty to write you regarding your wonderful "Oliveine Emulsion." Last spring I almost died of a terrible cough. I was so weak I could not dress or wait on myself, and had a terrible cough. I saw "Oliveine Emulsion" advertised and bought a bottle. It did me good at once and after having taken three bottles I could walk three miles. It helped my cough and I could breathe easier. I cannot praise "Oliveine Emulsion" enough. I find it is the only thing which helps me, and I advise all suffering from lung trouble to try it.
(Signed)

MRS. H. MILLER.

HOW MRS. BOYD AVOIDED AN OPERATION

Canton, Ohio.—"I suffered from a female trouble which caused me much suffering, and two doctors decided that I would have to go through an operation before I could get well."

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try before submitting to an operation. It relieved me from my troubles."

"So I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. Mary Boyd, 1421 6th St., N. E., Canton, Ohio.

Sometimes there are serious conditions where a hospital operation is the only alternative, but on the other hand so many women have been cured by this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, that doctors have said that an operation was necessary—every woman who wants to avoid an operation should give a fair trial before submitting to such a trying ordeal.

If complications exist, write to Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years experience is at your service.

WAR HERO NOW GAINS 24 POUNDS

After Strain Of Service Was Almost A Nervous Wreck—Praises Tanlac
Here is another instance of the remarkable reconstructive powers of Tanlac. William J. McCullum of 114 Borad St., St. John, New Brunswick, who spent three and a half years at the Front in France and Belgium, wounded five times, gassed and shell shocked and finally invalided home, stated that Tanlac has put him in shape to where he is not only beginning to feel like himself again, but that he has also gained twenty four pounds in weight besides.

Mr. McCullum is a veteran of two wars. He holds medal for service in great European war and also a four leaf medal for gallantry in the Boer war.

"I can hardly realize just what Tanlac has been worth to me," said Mr. McCullum, in an interview recently "in restoring my health and putting me on my feet. When I got home from the war I was a nervous wreck and neither time or medicines seemed to do me any good—I was so nervous and shaky I could hardly hold a cup of tea to my mouth, and it was my wife who happened to drop a knife or fork at the table I would nearly jump out of my chair. In this excited condition, my food could not digest, but would sour and form gas on my stomach adding more misery to my already desperate condition. I would toss and roll most of the night getting only about two hours of restless sleep, and would sometimes have to get out of the bed and walk the floor. My condition was so bad that I was almost a nervous wreck, and it was only by the use of Tanlac and I got a bottle, having little idea it would do me any good, but it has not only helped me, it has made me feel like a new man. I now have an appetite like a bear and eat just anything set before me without the least effects from it. I have been built up and strengthened until my nervousness is practically gone. I can sleep all night long like a log and my wife has a job waking me in the mornings. I am now able to do a full day's work and Tanlac gets all the credit for me being on my feet. My nerves have steadied down until, I can stand all sorts of noise and sudden jars. When I first began taking Tanlac I couldn't hold my hand steady enough to take a drink of water, but now I can shave myself. I am praising Tanlac to all the boys, especially to those suffering like I was, take a 'tip' from me get Tanlac, for I fully believe I would still be a nervous wreck if I had not taken it myself." Tanlac is sold in Campbellton by Thos. Wrán Druggist.

COPENHAGEN CHEWING TOBACCO

Copenhagen is used differently from ordinary chewing tobacco. Take a small pinch, for a start, and put it between the lower lip and gum, in the cavity. Afterward you can remove the mass of the pinch to suit the strength of the chew you desire. Copenhagen is a tobacco of which it is made is cut into fine grains which makes it impart its strength thoroughly and quickly. Hence, a little " pinch " goes a long way, showing that Copenhagen is not only an unusually economical chew, but also one of the finest quality, being made of the best, old, rich, high-flavored tobacco.

DEPARTMENT OF HEALTH, N. B. THE COLLECTION OF VITAL STATISTICS.

THE PUBLIC WILL PLEASE NOTE that that part of the Public Health Act and its amendments providing for the reporting of Births, Marriages and Deaths as they occur in the province of New Brunswick, will go into effect on the first day of January, 1920.

This scheme for the collection of such information is, briefly, as follows:—

In each parish and in each incorporated city and town there will be appointed an officer by the Sub-district Board of Health concerned, known as the sub-deputy registrar, to whom all reports of Births, marriages and deaths occurring in the parish, city or town for which he is appointed, will be sent.

All physicians, nurses, parents or house-holders as the case may be, having primary or official knowledge of such occurrences shall send to said deputy registrar reports of such births, marriages or death, upon forms furnished by the Department of Health to such persons, through the sub-deputy registrars.

Posters, in prominent type, will be put up throughout the province, notifying the date of the inception of this service, together with the name and address of the sub-deputy registrar of the parish, town or city in which any such poster appears.

Don't Prod Your Liver to Action

NR Overcomes Biliousness, Constipation, Sick Headache, Quickly, No Gripping or Pain. Guaranteed.
The organs of digestion, assimilation and elimination—the stomach, liver and bowels—are closely allied, and the proper action of any of these organs largely dependent upon the correct functioning of all the others. Correcting your liver into action with calomel or forcing your bowels with irritating laxatives or strong cathartics is a great mistake. A better safe plan is strengthening and toning the whole digestive and eliminatory system with Nature's Remedy (NR Tablets), which not only brings immediate relief but builds and lasting benefit. It acts on the stomach, liver, bowels and kidneys, improves digestion and assimilation, overcomes biliousness, corrects constipation and quickly relieves sick headache.

Get your system thoroughly cleansed and purified for once, stomach, liver, and bowels working together in vigorous harmony, and you will not have to take medicine ever again. It is one NR Tablet occasionally to keep your system in perfect condition and always feel your liver in action. Remember it is easier and cheaper to keep well than it is to get well.

Get a 25c box and try it with the understanding that it must give you greater relief and benefit than any bowel or liver medicine you ever used or to see. Nature's Remedy (NR Tablets) is sold everywhere and recommended by your doctor.
