To the Electors of Restigouche-Madawaska

I take this opportunity to express my sincere thanks and appreciation for having nominated me candidate as opposed to the present administration at Ottawa.

Conscious of the fact, as are all the Electors of this electoral district of both parties, that the two northern counties of New Brunswick are deserving of, on account of their importance in the Maritime Provinces to-day, special consideration and that during the term of the present representative nothing has been secured for Restigouche County and very little for Madawaska, I will, if elected, with all my energy endeavor to see that the interests and deserts of both these counties receive the consideration to which they are entiti-

a "Maritime Righter" and will bring the influence of Restigguche-Madawaska behind the cause of Maritime rights.
