**REGULAR MEETING OF TOWN COUNCIL**

Much Routine Business Done With Overdraft Still Grows.

A meeting of the Town Council was held Monday evening. In the absence of His Worship Mayor McKay, who is ill, Deputy Mayor Geo. St. Onge occupied the chair.

The following resolutions were presented: By Mr. Gillis, Graham, Matthews, Duncan, Moore, Marquis. The minutes of the last regular meeting and two special meetings were read and confirmed.

The clerk read a communication from the Clerk of the Executive Council acknowledging receipt of an application for further funds under the Housing Act. The Clerk said that the proceeds for further funds were bright.

A number of ratemakers applied for positions on the street proposed to be done this summer.

They were as follows: J. E. Dion, James E. Todd, B. F. Underhill, W. S. Duggan, J. P. Lussan. These were all laid on table.

J. E. Dion, who has been working at town stone quarry at 35 cents per hour, wrote asking that this amount be increased to 40 cents because of hazardous nature of work—laid on table.

Miss E. McDonald asked to be allowed to lease a lot on the I. N. E. right of way recently handed back to the Town. Referred to Public Property and Streets Committee.

Chas. Goss wrote asking for permission to install a gas tank in front of his store. Referred to Police and License Committee.

Dan McLaughlin wrote in reference to an account of \$2.70 for repairs to sewer, caused by town employees. Referred to Water and Sewerage Committee.

D. Chamberlain wrote asking Council to pay for suit destroyed near Post Office when team collided with Fire wagon and he was injured.

Coun. Moore said that when the firemen were engaged they naturally assumed some risk. They have incurred a loss. Did not favor payment of this account. Moved that letter be placed on file—Carried.

A number of ratemakers wrote asking for adjustment of assessment. All were referred to the Assessment and Appeals Committee.

Thos. J. Derrick asked for a license to conduct a drug store in building lately occupied by John White's drug store. Referred to Assessment and Appeals Committee.

Police Assessor applied for a license to conduct a harness and shoe repair shop. Referred to Police and License Committee.

Ratemakers of Prince William Street petitioned for extension of water and sewerage to lots owned by them. Referred to Water and Sewerage Committee.

The contract between the Town and Thos. Ellsworth for hauling stone was read and on motion referred back to the Town Solicitor for the insertion of a clause.

Coun. Duncan read the Finance report for January and February. This showed an over-expenditure of \$3,802.24. The overdraft Dec. 31st was \$45,657.65 and on Feb. 28th it had increased to \$44,290.80.

Coun. Gillis of the Assessment and Appeals Committee reported recommending adjustments of certain assessments.

Coun. Graham read a letter from Chief of Police Johnson stating that the present cells were unfit for female or juvenile prisoners, and suggested that a portion of the office be taken and two cells be erected therein.

The Police Committee recommended this and the report was adopted.

The Police Committee reported that they had investigated the complaint of Mrs. Wm. Savy against Police-constable Andrew Smith and found no ground for such complaint. Report adopted.

Coun. Balle-lie of the Electric Light Committee reported recommending that Mrs. Mary Adams be supplied electric current from line running to Miller's mill—Report adopted.

Resolved an extension of time to consider the same.

Coun. Balle-lie moved that the application of J. E. Dion, for increased pay be referred to the Public Property and Streets Committee—Carried.

Coun. Moore brought up the matter of increased duties of Chief of the Fire Department. Chief has been acting as Assistant Provincial Fire Marshall which took up considerably more of his time. Coun. Moore thought that the Chief should

**RAMBLERS BEAT DALHOUSIE VETS**

Past Game on Monday Night Gave Campbellton Victory—Score 4-3.

A fast, clean game of hockey was played here on Monday night when the Dalhousie Vets crossed sticks with the Campbellton Ramblers.

The first period got away to a lively start and both teams contributed good side-hacking and fast team play which evoked enthusiastic applause from the spectators. This period of the game was closely contested and ended with a score of 2 to 2. In the second period the Dalhousie boys were successful in frustrating the attacking efforts of their opponents and kept up a spirited bombardment on the Campbellton net. Murray in goal for the local team, showed up in good form, but despite his admirable alertness and skill the rubber got by once. Thus the period ended with a score of 3-2 in favor of the visitors.

In the third period the game developed unusual speed, and the fact that the fans were getting a treat, was evidenced by their incessant and enthusiastic cheering. When the local hockeyists found the Dalhousie net, and thus tied the score the atmosphere became charged with suppressed excitement. The game now became a whirlwind of spectacular rushes, timely combination work and clever, tough hitting, shooting. Then, when the allotted time had nearly elapsed, Lavolette, playing cover point for the home team, got the disk, made an end to end rush with incredible speed and scored the winning goal for Campbellton.

Sharp, play center for the locals, did good work and Thoms and Wilkins on the wings contributed dependable support. The rest of the team showed up in splendid form.

The visiting players got a good exhibition of clean hockey throughout the game. Dalhousie has a set-back of fast hockeyists who can not only take defeat in good spirits but who are capable of putting up a commendable fight with most any team in the province.

George Allingham and Wallace Henry timed the contest while Reg. MacLean handled the whistle to the satisfaction of all.

The line-up was as follows:  
 Dalhousie Vets Goal D. Murray  
 El. Trudell Point L. McIntyre  
 C. Deacon C. Point J. Lavolette  
 J. B. McKay L. Wing F. Thomas

**STEPS TAKEN TO SECURE CHANGE**

Board of Trade Endeavoring to Secure Better Railway Service.

The Board of trade initiative steps to secure a better train service between here and Causapsical. Below we print a copy of their letter to the Hon. C. W. Kennedy the new Minister of Railways.

13th March, 1922  
 To the Honourable C. W. Kennedy, Minister of Railways, Ottawa, Sir:—

The Campbellton Board of Trade on behalf of the citizens of this town and the travelling public generally throughout the County of Restigouche, and more especially that part of the County between Campbellton and Causapsical request you to endeavor to secure a more satisfactory train service between these points and the town and districts contiguous thereto.

The trolley service between here and Bathurst has proved such a boon to the whole country between these points that our Board urges the necessity of a similar service being inaugurated between Campbellton and Causapsical.

If this arrangement is not feasible at present we would respectfully ask you to re-instate our old service which this district has always enjoyed, viz. a train leaving Campbellton at 9:15 p.m. going west.

We would further request that the train now leaving Joli at 8 p.m. and arriving in Campbellton at 9 p.m. be started two hours earlier, viz. leaving Joli at 6 a.m. and arriving in Campbellton at 1:00 p.m. thus giving the people along the line ample time to do their banking and other business and be able to return the same day on the 2:15.

Hoping you will do everything possible with a view to having this necessary service put in operation at an early date.

We remain,  
 Yours respectfully,  
 THE CAMPBELLTON BOARD OF TRADE  
 H. R. SMITH, Secretary.

Favorable replies have been received from Pius Michaud, member for Restigouche and Madawaska and others.

**LABORERS CLASH WITH PAPER FIRM**

Lumber Seized—John Hall Kelly Wins Case for Great Eastern Paper Co.

A judgment of considerable interest to lumbermen of this section of the country was recently rendered by the Superior Court at Perce, Gaspé Co., Quebec.

Last fall, The Great Eastern Paper Co., which owns a tract of timber land on the Magdalen River, gave out several contracts to jobbers. These jobbers carried on operations during the winter and this spring it was discovered that one of the number had become insolvent. As a natural result the men employed by this party demanded that the paper company come good for the amount of their wages. This was refused by the company. The men then took a seizure against the lumber claiming a privilege thereon for their labor.

In virtue of the writ of seizure the bailiff seized a quantity of lumber which was in the company's boom at Magdalen River, and in which was contained the lumber on which these labourers had worked. However, the lumber on which these men had worked was mixed in the boom with the company's total winter cut and the company maintained that the amount due the men was owing by the jobber and cut by themselves, and that the men had no authority to seize wood other than that of the jobber for whom they had worked. This meant that the wood on which the laborers had worked for the jobber had to be identified in order for them to realize the amount due them as wages. This under existing circumstances, was impossible.

The Superior Court at Perce upheld the pretension of the paper company, declaring that the laborers had a just claim against the jobber for whom they had worked, but none against the company itself, and that they could not legally seize the lumber generally in the boom.

The plaintiff was represented by W. A. E. Flynn of Perce and the Great Eastern Paper Company of the years, sadly missed by wife and children. John Hall Kelly of New Carlisle, Marion.

**ROYAL ARCH CHAPTER FORMED**

Officers and Visiting Members Give Degrees to Large Number.

On Thursday, March 10th at the Masonic Temple here the Campbellton Chapter No. 11 of the Royal Arch Masons was instituted. The officers for the new Chapter were duly installed by the grand officers for New Brunswick. On Friday a large class of candidates received their degrees which were exemplified by degree teams from Michon and Chatham.

At 6:45 on Friday evening a banquet was served in the Hallroom of the Presbyterian Church by the Campbellton Ladies Aid Society. Despite the fact that these ladies are exceptionally busy at this time of the hospital opening they found time to make this occasion most delightful one. Their generosity of spirit and of purse surely merit our deepest gratitude. All gentlemen present at the banquet did ample justice to the gorgeous spread and expressed their appreciation through a toast to the ladies proposed by D. C. Firth, Campbellton and responded to by Mr. Wm. Smith of St. John.

While in town Mr. Smith made a cash donation to the Soldiers' Memorial Hospital.

**DEATH OF ALEXIS LEBLANC**

It is with feelings of deep regret we are called upon to record the death of Mr. Alexis LeBlanc which occurred at his home on Saturday afternoon after an illness extending over some six months. The deceased gentleman was highly regarded and his death will be deeply mourned by a large circle of friends. To the grief stricken widow, and family of nine children the heart felt sympathy of all is extended. The funeral services which were held on Monday morning, Rec. Father Melanson officiating, were largely attended.

**IN MEMORIAM**

In loving memory of our dear father James Huntington, who passed away March 16th, 1922, aged seventy-one years, sadly missed by wife and children.

MARION.

**WORLD'S CHAMPION TYPIST**

Miss Bessie Friedman's Record 132 Perfect Words per Minute for 15 Minutes.

Miss Bessie Friedman, world's champion typist for accuracy and international woman champion for speed in showing Boston business firms, schools, colleges and other institutions just what rapid, clean typing is.

Her record for speed is 142 net words per minute for one hour at the World's Typewriter Championship Contest held in New York last fall, where she was second only to George L. Hensfield with 143 words. She has them all beaten for accuracy, however her record being 132 perfect words per minute for 15 minutes.

She can write 168 words a minute from fresh copy and a familiar sentence of the rate of 248 words a minute.

**A CAMPBELLTON PLEA FOR UNITY**

I did not come from the Tobique,  
 Nor yet from across the sea;  
 But I live right here in this good old town  
 Where I always intend to be.

I will nail my flag to the top mast  
 Be the taxes ever so high,  
 I will be right here until the last  
 And here's where I want to die.

But I want to have a little left  
 Over Income Tax and the rest,  
 To help me out in the battle of life  
 And build my family a nest.

We should always be ready to unite,  
 Let us one lay down or nap;  
 And every man should do all in his might,  
 To put this town on the map.

We should always seek peace with our neighbor  
 Of whatever language or creed,  
 And one God of love will look from above  
 And he will supply our needs.

Let Scotch, English, French and Irish,  
 All pull on the one strong rope,  
 Singing one song both steady and strong  
 Of Charity, Faith and Hope.

**"The Old Nest"**

PERSONALLY WE THINK THE OLD HUMAN RACE IS STILL RUNNING TRUE TO FORM. This in spite of what psychologists and some radical reformers would have us believe. We think that boys and girls still love their mothers as dearly as ever. But we also think that girls are causing their mothers to skip bedtime so that they may be fashionably dressed and that boys continue to get into scrapes that drive them from the parental roof in spite of mother's pleadings. We cannot help observing, however, as we fit from home to home and motor through the countryside, that happy households of childhood are ruthlessly shattered by the lure of large opportunities and that Father and Mother, gray and feeble, live in constant heart-burster for the return of their baby brood. To these absent children there is no thought of neglect, but busy lives crowd out all visions of home and especially of Mother.

Why enlarge upon the subject—come to the Opera House, next Monday or Tuesday, and see the sweetest, most natural and searching re-living of your own family life your mind can imagine outside of the real thing itself. This is Rupert Hughes' supreme human story, "The Old Nest." It has, we'll venture to say, mended more broken hearts, set on foot again on the homeward path more forgetful sons and daughters and re-united the sacred bonds of family love and loyalty than a like amount of spoken preaching could possibly accomplish. It will bathe Campbellton in the tears of its contrite sons and daughters and the good results of "The Old Nest" message will last for many months, if not for a lifetime.

They say that the mother that thy days may be long upon the land which the Lord thy God giveth thee.—Exodus 20:12.

ONE OF THE TEN COMMANDMENTS.

**Monday & Tuesday OPERA HOUSE**

**S. M. H. IN FULL SWING.**  
 The Soldiers' Memorial Hospital is now in full swing. More than a dozen patients have entered for treatment and more are expected tomorrow. Several operations have been performed, some of which were of a serious nature.

One way to get on your feet is to sell your motor car.
