## EASTER SERVICES IN THE CHURCHES

### Appropriate Music in all Churches.—A Beautiful Day With Large Congregations

Easter day was a beautiful one, and services in the various churches were very largely attended both morning and evening.

At Christ Church the service in the morning was attended by "A" Company of the 132nd Battalion.

The new 2-manual, pedal-base organ recently purchased, was used for the first time and very ably presided over by the organist, Miss Jessie Moore. The enlarged choir was robed: the men in cassocks and surplices and the ladies in black dresses, surplices and mortarboards. The service opened by the choir coming in from the vestry singing the Processional Hymn "Come, ye faithful, raise the strain of triumphant gladness". The Assistant, Mr. D. Bright, took Morning Prayer up to the third collect after which the Rector took the Communion service and preached. The Easter Anthem—"Christ our Passover is sacrificed for us" was used instead of the Venite. During the Offertory the choir rendered "On the resurrection morning." The soldiers attended the morning service.

At the Sunday School service in the afternoon Mr. Bright gave a very helpful address to the children.

In the evening the services opened with Processional Hymn, "Christ the Lord is risen to-day—Alleluia". Evening Prayer was taken by the Assistant and the sermon preached by the Rector.

## GRAND RECEPTION FOR MALCOLM BOYS

### Campbellton Citizens Out in Force to Greet R. and B. Malcolm

Tuesday afternoon it was learned that Ptes. R. and B. Malcolm of the C. P. R. Construction Corps, who have been on service in France, would arrive during the evening on a special train, bearing wounded and returned soldiers bound for Quebec and the west.

At 7 o'clock A. Company of the 132nd Battalion with the Bugle Band marched to the station and were formed up along the platform. The station grounds were thronged with citizens anxious to give a warm welcome to the Campbellton boys, and cheer the wounded heroes on their way.

At 7.30 the special train arrived and when the Malcolm boys were observed standing upon the steps of one of the cars, a mighty cheer went up from all.

Friends quickly gathered about them and they were conducted to the family auto where the proud father, Mr. Thos. Malcolm was waiting to greet them.

Unfortunately Ptes. Malcolm had to proceed to the discharge depot at Quebec, so after a few minutes here, proceeded upon their journey and will return about Saturday.

We understand that it is the intention of both these young men to qualify for commissions in the Canadian forces.

Ptes. Ross and Boswell Malcolm of the C. P. R. Construction Corps, who have returned fro n the front.

## CONTRIBUTIONS SLOW FOR BAND FUND

### More Money Needed and Friends Should Dig Down.—Must do Our Share

We trust that our ever generous citizens have not forgotten that the 132nd Band Fund is still in need of funds, and that the Graphic will receive and acknowledge all sums sent in to this fund.

A TIMELY PUN

Lieut. Col. Mersereau, in thanking the citizens of Chatham for their generous contributions towards the fund for the purchase of a band for the 132nd, said if they did not have to hawk the instruments for money to pay their passage back from France, they should present them to the 73rd Battalion, as the 132nd had been so largely formed from the 73rd. Hon. L. J. Tweedie, in referring to this, said it would not be necessary, even though they had no money for the return passage, to hawk the instruments, as they could retain te drums and beat their way back."

If we do not do our part ttis fine organization will not even have the drums with which to beat their way back.

We are pleased to notice that Mrs. Henry Goudin is this afternoon giving a ten cent tea in aid of the band fund, and we hope this will be well attended.

The Graphic's fund amounts to $49.00. Who will be the next to increase it?

## NO ARRANGEMENT YET FOR S. S. SERVICE

### Department of Trade and Commerce Hedging in Reference to Contract.

Navigation on the Bay Chaleur has been open for a week, and so far as we could learn no arrangements for a steamer have yet been made.

It was thought that when Capt. Beattie of the S. S. City of Ghent agreed to do the service as outlined in a recent issue for $15,000, the figure set by the department, that the contract would be entered into at once, so that arrangements for the service could be made, but unfortunately politics have been allowed to come in and another firm with more influence is at work to get the contract.

The firm of Gibson Bros. of Halifax have submitted a proposition to do the same service with the steamer "Elaine".

This steamer has been on the St. John River service for some time and is a fine river boat, but whether she could handle the work on the Bay Chaleur or not has yet to be demonstrated.

It is too bad that matters have been allowed to drift along, as a boat is very badly needed on this route. We hope some arrangement will be made before our next issue.

## CASEMENT FACES HIGH TREASON CHARGE

### May be Beheaded, Instead of Hanged, if he is Found Guilty

London, April 26—The fact that Sir Roger Casement has been brought to England to stand trial, and is detained in military custody, leads to the assumption that he will be charged with high treason. This charge has been preferred less than half a dozen times in England in the last hundred years. The last instance was during the Boer war, resulting in the conviction of Arthur Lynch in 1903. Mr. Lynch, who is now member of the House of Commons was sentenced to death but the sentence was commuted, and a year later a pardon was granted. The Express suggests the possibility that Sir Roger, if convicted of high treason, may be beheaded, as under the existing law, a person found guilty of this offense may, by Crown warrant, be given the penalty of beheading instead of hanging.

## LOYAL TROOPS WIN IN IRELAND

### Capture Liberty Hall and Stephen Green.—Few Casualties. Ireland Loyal

London, April 26—Liberty Hall, the headquarters of the Dublin rebels and Stephen Green, the park, which was captured by them, have been occupied by the military, Premier Asquith announced today in the House of Commons.

Martal law has been proclaimed in the City and County of Dublin, it was announced in the House of Commons.

Troops have arrived in Dublin from Belfast and England.

Stephen's Green is the largest, spacious and well kept of the many of the so-called squares which help constitute the beauty of Dublin. Stephen's Green occupies an area nearly 20 acres and is about a mile in circuit.

London, April 26.—(Later)—Steps to arrest all those concerned in the movement, Mr. Asquith said, are being taken.

At the opening of the House of Commons today, Augustine Birrell, chief secretary for Ireland, said it was difficult to say whether any routes to Ireland were open or closed. He added that he was going there if he could make arrangements.

The following telegram was received in London today from Baron Wimberne, Lord Lieutenant of Ireland, dated Dublin:

"The situation is satisfactory. Stephen's Green has been occupied. Eleven insurgents have been killed. The provincial news is reassuring."

London, April 26—Lord Aberdeen, ex-Lord Lieut. of Ireland in an exclusive dictated statement, calls the revolt a filibustering raid and says the bulk of the Irish are behind John Redmond and the parliamentary party.

Reports so far show that twenty-three persons were killed.

## KEDGEWICK CITIZEN DIES SUDDENLY

### P. E. Bergeron Passed Away at Quebec Hotel. Body Brought Home

News of the sudden death of Mr. P. E. Bergeron, a prominent citizen of Kedgewick, I. N. R., was received here Sunday night.

Mr. Bergeron came in on the I. N. R. on Friday night and registered at the St. Louis. He left the hotel in the best of health and spirits on Sunday morning taking the maritime for Quebec. While at the Neptune Hotel there he was suddenly taken ill and immediately passed away. Heart failure is attributed as the cause of death. The remains arrived in Campbellton Wednesday morning and were at once forwarded to his late home at Kedgewick on the I. N. R. He leaves a wife and two sons to mourn the loss of a kind and devoted husband and father, to whom the sympathy of the community is extended in this their hour of sore bereavement.

## JURY DECIDES MURDERER INSANE

### Daniel Canning of Kings County Not Responsible For His Actions

Hampton, April 26—At the trial of Daniel Canning for murder on Tuesday afternoon, a number of witnesses were examined. Questions asked by counsel for the defence were understood to be intended to raise the question of the sanity of the prisoner. One witness considered Canning was not right mentally.

This morning the taking of evidence was concluded, and the case given to the jury, who returned a verdict that Canning was insane.

The judge had put to the jury: "Is this man in a fit mental condition today to be tried on a charge of murder?"

After hearing the evidence of Dr. Anglin and Dr. Burnett the jury decided that the man was not mentally fit to be tried and he was remanded to jail until the governor-in-council considers the case.
