FOREIGN DEPARTMENT.

INDIA.

An Appeal from the Decennial Conference

TO THE SECRETARIES OF MISSIONARY SOCIETIES IN EUROPE,
AMERICA, AUSTRALASIA AND ASIA.

Bombay, January 5, 1893.

The members of the Decennial Missionary Conference of India, assembled in Bombay, overwhelmed by the vastness of the work contrasted with the utterly inadequate supply of workers, earnestly appeal to the Church of Christ in Europe, America, Australasia, and Asia.

We re-echo to you the cry of the unsatisfied heart of India. With it we pass on the Master's word for the perishing multitude, "*Give ye them to eat.*" An opportunity and a responsibility never known before confront us.

The work among the *Educated and English-speaking classes* has reached a crisis. The faithful labours of godly men in the Class-Room need to be followed up by men of consecrated culture, free to devote their whole time to aggressive work among India's thinking men. Who will come and help to bring young India to the feet of Christ?

Medical Missionaries of both sexes are urgently required. We hold up before medical students and young doctors the splendid opportunity here offered of reaching the souls of men through their bodies.
