

CHRISTMAS IS COMING.

As come it will and welcome always. We have made ample provision for it. The immense sales of previous years in

XMAS BOOKLETS

CARDS AND

GIFT BOOKS

Have shown us what the public want, and this year we have a bewildering variety of exquisite Christmas Goods, such as might upset the composure of even Santa Claus himself.

We ask our friends to look out for the next BANNER, which will contain lists of our Christmas offers.

LIBRARIANS, ATTENTION!

 OUR METHODIST BOOK ROOMS have for years maintained supremacy as emporiums for the supply of Library Books. That reputation will be further enhanced by the fact that we have secured the joint agency for the sale in Canada of the publications of

The Religious Tract Society, London, England.

A publishing house which issues more Sunday School Library and Reward Books, and of a higher character, than any other in the world.

Schools in need of Libraries will kindly keep in mind the fact that we carry a large assortment of the Religious Tract Society's books at all prices, from 12 cents up. Every book that bears the imprint of this house may be taken without question.

Along with the R. T. S. Books our shelves are laden with thousands of bright and readable volumes from such houses as Nelson & Sons, The Wesleyan Conference Office, S. W. Partridge & Co., Nisbet & Co., and other well-known publishers. We have the cream of S. S. Literature. Full lines of all the popular authors. Write for our Catalogues.

We shall be glad to communicate our terms to schools wishing to purchase Library Books.
