

Libby's

GOOD THINGS TO EAT

Warm Weather Appetite.

In hot weather things must look and taste *just right*. What more dainty and tempting than the delicate slices of

Libby's Ox Tongue

All ready. Done to a turn, cooked by experienced chefs, nicely trimmed, you buy just the solid meat, ready to eat, in $1\frac{1}{4}$ to $3\frac{1}{2}$ pound cans.
The full line of

Libby's (Natural Flavor) Food Products

Comprising elegant soups, and a great variety of excellent luncheon meats, cooked ready to serve. Everything put up in convenient key-opening cans.
We give away a little book, "How to Make Good Things to Eat," tells all about serving quickly and attractively. Send ten cents, stamps, for Libby's big home Atlas.
