Complain as we may

About our lot in life, we cannot deny that any are exempt by their position from the common lot of pain and suffering. The highest as well as the most humble must be ever on the alert to take advantage of such means as will relieve, when pain makes a relief a necessity to our comfort. In a letter from "Government House, Ottawa," asking for a supply of "Putnam's Painless Corn Extractor" we are reminded of two things—the first, that corns are universal, and secondly, that Putnam's Painless Corn Extractor is recognized by all classes as the most certain, painless and non-poisonous remedy for corns. Beware of the article just as good, and use only Putnam's Painless Corn Extractor.

There is a strong feeling in certain high quarters that the Garter has been distributed too freely of late years, and that it has become "too common."

If you want knowledge you must toil for it; if you want food you must work for it; if you want pleasure you must earn it,—but if you want nice soft hands you have only to use Estey's Fragrant Philodermis.

The Post Office Savings Bank account for January shows that during the month the deposits were \$709,377 as against \$550,071 for the same period last year, being an increase of \$159,306. The total balance to the credit of depositors at the end of the month is an increase of \$1,647.05 over that of twelve months ago.

That the Mason & Hamlin organs stand at the very head of instruments of this class in the whole world will scarcely be doubted by any one. Few among rival makers, even, will claim to make organs equal to theirs; none to make better ones. Prices of Mason & Hamlin organs are a little higher than those of poorest, lowest priced instruments, but nothing in proportion to their superiority.

This company have just commenced the manufacture of improved Upright Pianos, which they claim are entitled by their superiority to rank as high as their organs.—*Boston Traveller*.

The relations between England and Russia are seriously strained, and England is holding 150,000 troops in readiness for Afghanistan.

Do you feel languid and dull, and have no appetite, then your system is out of order and requires a good bracing medicine. Take a few bottles of Estey's Iron and Quinine Tonic.

There are now vacant three Garters, one of which has been on hand for nine months, an unprecedented period to keep such a distinction dangling.

SCOTT'S EMULSION OF PURE COD LIVER OIL, WITH HYPOPHOSPHITES. In *Acute Pulmonary Troubles*.—Dr. F. B. Strickland, New York, says: "I find your Emulsion very beneficial after all acute pulmonary attacks in adults, and in children during and after such diseases."

Paper bottles are now extensively used in Paris.

If there is a person in this county who does not know of *Johnson's Anodyne Liment* we hope this paragraph will reach that person's eye and that he will write us for particulars of it. It is more valuable than gold, silver or precious stones.

The Princess Beatrice is to be married in the private chapel in Windsor Castle early in May, and the ceremony will be as quiet as possible.

The manufacturers of *Sheridan's Cavalry Condition Powders* inform us that their powder will effectually prevent hog cholera and all other diseases in hogs, and that they will increase the size and weight one quarter.
