Mercantile Summary.

S. S. BORDEN, of Wolfville N. S., involved though the failure of F. & H. Brown of the same place, has been obliged to assign.

R. S. LEGERE & Co., general traders of Moncton, who asked for an extension last October have received a visit from the sheriff, and have assigned. Liabilities about \$5,000; they claimed in the fall to have a surplus.

A. M. ALLAN & Co., dry goods men of Montreal, whose failure we noted last week, have made an offer of 70 cents on the dollar, payable in 3, 6, 9 and 12 months, which is likely to be accepted.

HAVING been recently burned out, Mr. G. M. Faubert a general storekeeper of Sherrington, Que., has been seeking to compromise with his creditors, offering thirty per cent. He owes about \$2,600, while his available assets, he declares, are only some \$1,300.

J. C. PREFONTAINE, a Montreal dry goods man, having become overstocked is asking an extension of four and eight months, which has been generally granted. Liabilities \$4,500, with assets of \$5,300.

ACHILLE BEAUDET of Arthabaska, Que., a general dealer, is endeavoring to compromise at fifty cents on the dollar. He owes \$4,539, with assets of \$3,878 nominal. We believe the offer has been accepted by most of his creditors.

ABRAHAM KIRT, a storekeeper of Lakefield, Que., who was burned out a few weeks ago is reported as seeking a compromise. Stock was insured for \$1,500 and he has some book debts, while the liabilities are about \$3,000.

THE liabilities of A. R. Brown & Co., coal merchants, Montreal, whose failure we noted last week, aggregate some \$50,000 with assets said to show some margin in excess, matters however are said to be somewhat mixed up, and it is understood there is considerable accommodation paper involved. It is likely that an offer to pay in full in 6, 12 and 18 months, will be accepted.

C. C. CLAGGETT & Co., dealing in fine dry goods of Montreal, have assigned upon a seizure for a large sum having been put in by their heaviest creditor. Business had been poor and expenses heavy for some time past, and the failure was not surprising. Liabilities are somewhere about \$20,000, and in all probability the business will be wound up.

FIRMIN PELLETIER of Sherbrooke, a general store-keeper, is in trouble, and will likely be closed up. It would appear that he has been putting all the money he could into a residence which figures in his wife's name, and he wants creditors to take twenty-five cents on the dollar, but they don't see it that way. He owes about \$4,000, with \$1,000 available assets.
