W. R. BROCK & CO.*To the Dry Goods Trade of Canada:*

We import General Dry Goods and Woollens from the chief European markets, making our selections of such lines as are suitable for the trade of this country.

We are largely interested in several manufacturing industries in the Dominion, and endeavor to encourage the makers of domestic cotton and woollen goods, by placing large orders at the leading factories.

Canadian knitted goods, in underwear for men, women and children, are surely displacing imported goods. We deal extensively with Canadian mills, and being directly interested, are able to offer special inducements to our customers. Stock now complete.
