There's Money

For grocers and general dealers in a well-selected assortment of Tobaccos. But unless the article has a reputation for meeting all the requirements of the most exacting smoker, you had better not keep it at all. Our

CUT Old Chum AND PLUG

for instance, has stood the test for many years. If you keep it you keep something that reflects credit on your judgment, helps other departments of your business, and leaves you a good margin of profit. Its the same with our famous FANCY MIXTURES—or indeed anything in Tobacco bearing our name, which has come to be regarded as a guarantee of excellence. We have found that merit tells. So will you.

Mercantile Summary.

A MONTREAL retail shoe concern, Blacklock & Co., in business only a little more than a year, have assigned. Liabilities are about \$4,000. A demand of assignment was served upon them some months ago, but afterwards withdrawn.

A QUEBEC shoe-manufacturing firm, Dumas, Dumas & Co., are reported as embarrassed. There was a fire in their premises on the 19th ult., and they had insurance of \$10,000. It is said they only owe about \$8,000, and show a nominal surplus of some \$12,000. They have made a transfer of assets to two principal creditors, who will handle the estate for the general benefit.

Mrs. BOOTH bought the grocery stock of G. S. Booth at Parkdale at 68 cents in the dollar. —The boot and shoe stock of James Newton, retailer, Toronto, was sold to his son at 60½ cents. —The sheriff advertises the sale of the boot and shoe stock and machinery belonging to the estate of Cooper & Smith, manufacturers, on Wednesday next. The inventory shows an aggregate of \$108,000.

E. LEPAGE & Co., a dry goods concern, only established in Montreal a year ago last May, have arranged a compromise at 50 cents on the dollar. They suffered two fires this spring, and the insurance companies interested in the latter fire are contesting payment of policies to the amount of \$10,000. Apart from this, however, Mr. L. shows quite a deficiency on the eighteen months' business. The liabilities are \$28,000; stock and fixtures, the only assets, are inventoried at about \$15,000. Some \$17,000 is due to one Toronto house, we are told.
