**A BRIDE'S CONFESSION**

"Yes, dear, I am married and I am keeping house in the loveliest flat on 64th St. Well, yes, we did get married somehow, suddenly. My health, you know, had for some time been very delicate, and Dr. Healy told mamma that he feared I would follow poor dear sister Belle, who died three years ago from a wasting disease. Dear George was almost lousy when he told me that he had fallen in love with me, and I nearly cried my eyes out, but one day I overheard that 'dear old Nelly Parker' say to her mother, 'I think that George Blauvelt is just too lovely for anything, and when the girl he's engaged to dies, and they say she is dying of a wasting consumption, I'm going to step in to her shoes and become Mrs. George Blauvelt; now just you wait and see.' This spring I noticed George seemed to be almost resigned to the idea that we should never be married, and he thought that that dreadful lousy lady had got him after all nearly drove me crazy. One day I read the testimony of Lawyers Howe and Hummel as to the wonderfully invigorating effect of DR. CAMPBELL'S ARSENIC WAFERS, and I resolved to try what they would do for me. I commenced their use on the 4th of July. George had just sailed for Europe on business for his firm. On Sept. 18 he returned. I was, from the use of the Wafers, by that time again a well woman, and so enraptured was he with my healthy and robust appearance that he insisted we get married the very next day. I could not say 'Etna boy, and as you will see by my card, I am now Mrs. George Blauvelt. Do call soon and let me introduce George to you; I am sure you will like him, he is so handsome, and as good as he is handsome.' Good-by; be sure not to forget."

**THE DEY OF ALGIERS!**  
 The SHAH OF PERSIA and the SULTANS of TURKEY and MOROCCO now FATENY and BEAUTIFY their complexions exclusively on DR. CAMPBELL'S ARSENIC COMPLEXION WAFERS. So great is the demand for these marvellous Wafers that their manufacture is continued day and night.

"The Shah found his harem in a state of disorder on his return to Persia."—N. Y. World, Oct. 12, 1889. Reason—Their supply of CAMPBELL'S WAFERS was exhausted!

ILLUSTRATIVE of the desirability of a certain amount of Plumpness, rumour has it that the above distinguished Oriental Potentates make it a practice to WEIGH their wives regularly once a month, precedence in rank and imperial favour being accorded to the wife possessed of the greatest number of pounds avoirdupois.
