Company/Product

Robert Mitchell Inc. is a Canadian company founded in 1851 and incorporated in 1924. Through its divisions and subsidiaries, the firm manufactures and distributes a wide range of metal products for the petro-chemical, pulp and paper, environmental protection, marine, airport, food service, and other industries. The firm's product line includes carbon steel pipes, fittings, and valves as well as pressure vessels, towers, columns, tanks, heat exchangers, pipe spooling, and various others fabricated to design and engineering specifications. The company also produces stainless steel pipes for municipal water treatment plants.

Although the company can custom fabricate to any level of precision, Robert Mitchell is not a designing or engineering service.

Current Geographic Marketing Activities

Robert Mitchell has extensive experience in Canada, the USA, Mexico, and overseas.

Contact Sought

As fabricators, the company would like to develop contacts with process engineers and consultants, worldwide, responsible for designing and building pollution control and environmental systems with a view to manufacturing those components which fall within Robert Mitchell's field of expertise.
