NAFTA ANNEX 302.2

TARIFF SCHEDULE OF CANADA

EXPLANATORY NOTE

The provisions of the attached schedules are expressed in terms of Annex 302.2 (Tariff Schedule of Canada) of the North American Free Trade Agreement. The tariff item numbers and article descriptions in these schedules are consistent with the corresponding tariff item numbers and article descriptions in Annex 302.2 of the North American Free Trade Agreement.

Schedule I lists those tariff item numbers where accelerated tariff elimination will apply to all products in the tariff line. Schedule II lists those tariff item numbers where only some of the products are to be subject to accelerated tariff elimination, and lists the products so affected. Goods originating in the territory of Mexico provided for in the tariff items listed in Schedule I and products originating in the territory of Mexico that are listed in Schedule II shall be free of Canadian customs duty effective July 1, 1997.
