Awards

In 2000, a total of 1,411 awards were presented at DFAIT, (including long service awards for 15, 25 & 35 years service). Public Service Certificate of Recognition was awarded to federal departments, including DFAIT, which participated in the emergency response, recovery and investigation of the crash of Swissair Flight 111. The Department's Trade Law Division Team received the Head of the Public Service Award, which recognizes employees who best exemplify the work of public servants in meeting the challenges outlined in the Clerk of the Privy Council's *Annual Report to the Prime Minister on the Public Service of Canada.*

The chart on the following page shows the total number of awards presented during 2000.
