

Figure 12: Summary of Actual and Projected Savings - Paper Reduction Initiatives

	ACTUAL TO DATE	ANNUAL PROJECTIONS
Paper Reduction Initiatives:		
- Double-Sided Copying in Printing Operations Branch	\$420,000	\$125,000
- Use of back of Press Releases for Photocopying by Press Gallery	16,000	4,000
- Reduction in Number of Copies of Parliamentary Publications	300,000	100,000
- Non-edited Committee Issues now Printed Double-sided and Single-spaced	36,000	9,000
Total Savings	\$772,000	\$238,000

4.7.2 Food Services

Cafeteria and restaurant services have been prime targets for reuse and reduction initiatives. The composting programme has been a highly successful waste reduction measure for the Food Services branch, and other facets of food service operations have provided additional excellent opportunities for greening initiatives.

Figure 13: Summary of Actual and Projected Costs - Food Services Initiatives
