

*Inquiries of the Ministry***AGRICULTURE****MILK—INQUIRY AS TO NATIONAL  
SCHOOL POLICY**

On the orders of the day:

**Mr. R. A. Webb (Hastings-Frontenac):** Mr. Speaker, I should like to direct my question to the Minister of National Health and Welfare. Has the government taken action, and if so with what success, in introducing a milk program for schools?

**Mr. Speaker:** Order, please. This is again a question that has been asked on a number of occasions in previous weeks and months. I suggest to the hon. member that the question is much too general in scope and cannot be asked again.

**Mr. Webb:** I realize the question has been asked, Mr. Speaker, but it has not been answered.

**Mr. Knowles:** So what's new?

[*Translation*]

**EXPO '67****SUGGESTED ERECTION OF MONUMENT  
TO HUMAN FRATERNITY**

On the orders of the day:

**Mr. Alcide Simard (Lac-Saint-Jean):** Mr. Speaker, my question was intended for the Prime Minister but in his absence, I shall put it to the Secretary of State for External Affairs.

In view of the wish expressed by a large proportion of the people of Canada, is it the intention of the parliament of Canada to recommend the erection of a monument to "The Brotherhood of Man" at the entrance of Expo 67?

**Mr. Speaker:** The question of the hon. member should be put on the order paper.

[*English*]

**HOUSING****ATTENDANCE OF OPPOSITION MEMBERS AT  
PROPOSED CONFERENCE**

On the orders of the day:

**Mr. Reid Scott (Danforth):** Mr. Speaker, I should like to address a question to the Minister of Labour in his capacity as Canada's part time housing minister.

**Some hon. Members:** Order.

**Mr. Scott (Danforth):** What is wrong with that?

[Mr. Nicholson.]

**An hon. Member:** It's true.

**Mr. Scott (Danforth):** He is our part time housing minister.

**Mr. Speaker:** Order, please. The hon. member should ask the question.

**Mr. Scott (Danforth):** Well, protect me from these people. How can I protect myself against this type of conduct? Maybe they don't care about the housing crisis, but we do.

**Mr. Speaker:** Order, please. If the hon. member will not ask the question I will call orders of the day.

**Mr. Scott (Danforth):** I will ask the question, but I was just appealing for some sort of order on the government benches.

**Some hon. Members:** Order.

**Mr. Scott (Danforth):** Mr. Speaker, can we have order in the house on the government side?

**Mr. Speaker:** Order, please. Will the hon. member kindly ask his question and not make a speech.

**Mr. Scott (Danforth):** That is what I am trying to do.

**An hon. Member:** Sit down.

**Mr. Scott (Danforth):** I should like to ask our part time housing minister—

**Some hon. Members:** Order.

**Mr. Ricard:** Noise is their contribution. They cannot do anything else.

**Mr. Scott (Danforth):** Mr. Speaker, I will ignore the disorder on the government benches this morning.

**Some hon. Members:** Order.

**Mr. Trudeau:** The disorder is in your mind.

**Mr. Speaker:** Order, please.

**Mr. Starr:** The Minister of Justice is getting disorderly in the house.

**Mr. Speaker:** Order, please. We have lost what I suggest is precious time in the House of Commons. The hon. member has been on his feet for a few minutes to ask a question and has not yet asked it.

**Mr. Starr:** There is too much noise from the government side of the house.
