College.

Dear Dean Laird:-

In reply to your letter of May 16th, I wish to submit the following report on the High School.

The total enrolment for the present term has reached the figure 272, the largest since the opening of the High School. According to municipalities, the enrolment is as follows - Ste. Annes 134, College 44, Baie d'Urfe 41, Senneville 27, Vaudreuil 3, Non-Resident 16, Roman Catholics 7.

The average daily attendance has throughout the year been 195. The outbreak of whooping cough affected this figure greatly and considerable illness during the winter months also brought it down. New admissions to the school since September 1920 total 103.

The enrolment in the various grades of the school is as follows -

Grade XI	- 6,
X	- 3
IX	- 17
VIII	- 19
VII	- 16
VI	- 26
V	- 19
IV	- 26
III	- 31
II	- 35

K. & I - 74 - Total 272
