

WATERS' ORCHESTRION CHIME ORGANS

Are the most beautiful in style and perfect in tone ever made. They have the celebrated Concerto Stop, which is a fine imitation of the human voice, and two and a half octaves of Bells tuned in perfect harmony with the reeds, and their effect is magical and electrifying.

Testimonials of Waters' Orchestrion Chime Organs.

The New York Times says: "Waters' Orchestrion Chime Organ is a beautiful little instrument, simply perfect. The chime of two and one-half octave bells, and the artistic effects capable of being produced by the player, are singularly fine."

"The tone is full, clear and resonant, and a very interesting effect is produced with the chime of bells."
—Christian Union.

Testimonials of Waters' Souvenir Organs.

J. O. WEAVER, York, Pa., says, "I like the style of the Souvenir very much. I think it is very pretty. I have examined the material and construction, and find that it is made to be durable. The convenient arrangement to take the Organ apart, and the Stop-action, are admirable."

M. R. BARNES, McArthur, Ohio, says, "The Souvenir has arrived, and has been tested along with Burdett's, George Wood's, etc. It has not suffered by the comparison. I like the style very much. It came in perfect order, being thoroughly packed."

W. W. MOORE, Eldora, Iowa, writes, "I will say, in regard to the Souvenir Organ sent me, that it is the best toned Organ in the market. I have been in the Piano and Organ trade over two years, and have not found an Organ that meets the demand of the people like the Souvenir. I have sold some of the leading Organs—Estey, Burdett, Taylor & Farley, and Whitney & Holmes. I have just sold one Souvenir Organ in a house where they have had an Estey for six years."
