On the Carso plateau during the night of Aug. 13, the enemy set off a number of rockets above our positions, but made no further attacks. HAMILTON, Monday, Aug. 16.— Thomas A. Ivey, 106 West Avenue north, is dead, and Ernest Ruse, 156 Cumberland, is under arrest on a charge of criminal negligence as the result of Rue's jitney being struck by a Grand Trunk engine at the corner of Ferguson avenue and King street shortly before 6 o'clock Saturday. Ruse was driving his jitney east of King street, and when given the signal to stop by the flagman at the crossing, lost his head and ran right into the path of the engine. The car was rolled over several times and was finally crushed against a post. Ivey, the only passenger, struck the post and was in-stantly killed, while Ruse escaped with only minor injuries. IN SENTIMENT SEEN

Vote of Council on Col. Langton's Name as Fire Commissioner Appears Uncertain

Col. J. P. Langton's chances of geting the fire commissionership are about as good as when his name came up in the city council on previous occasions. The "great change" in sentiment expected by Controller O'Neill does not seem to be in evidence. A number of the aldermen, when seen yesterday, seemed more convinced than ever that he is not the man for the job, and the indications are that the defeating-vote

will be bigger than ever. With the voting down of Langton, another man, Fred Dane, a provincial license commissioner, will be brought forward in council, when that body meets on Tuesday, but as yet Mr. Dane has not signified his willingness to accept the position.
