LONGFORD MILLS, ONT., Nov. 24th, 1889.

ROBERT BRAMMER, Orillia.

Dear Sir—The two Shingle Machines we got from you are doing good work. They are the  
best machines we have ever had anything to do with. They are both fast and do good work and  
give every satisfaction. We have no hesitation in recommending your machines to any person in  
want of a good shingle machine. Yours truly, THE LONGFORD LUMBER CO., Wm. THOMSON, Pres.

To Whom it may Concern—This is to certify that I consider Mr. Brammer's make of shingle  
Machines has no superior. I have used the first one he made of the kind called the "Clipper"  
and several more since. The firm of Heath, Tait & Turnbull, of Huntsville, recently sawed in  
one day of eleven hours, one hundred and three and a half thousand with two of the machines, and  
the average during the season has been over seventy-two thousand per day.

A. TAIT.

To Whom it may Concern—I purchased of R. Brammer his latest improved patent Clipper  
Shingle Machine, and have great pleasure in bearing testimony to its vast capacity and durability,  
and I have no hesitation in stating that it is the best machine I have ever worked, or have ever  
seen.

THOS. B. TAIT, Gravenhurst.
