

EVERYMAN

EDITED BY CHARLES SAROLEA

AN INTERNATIONAL WEEKLY JOURNAL
OF LITERATURE, POLITICS, AND ETHICS

An Authoritative Opinion

"Reputed for its calm reasonings and cultured tone. The Editor exhibits a marvellous range of vision and of exact knowledge in various spheres of thought and activity. Owing allegiance to no sect, uninfluenced by any consideration of partisanship, we have in the Editor of 'Everyman' a pressman whose conclusions on most questions possess an element of finality."
