

Heal the Sick

An Appeal for Medical Missions in China

BY

OMAR L. KILBORN, M.A., M.D.

Missionary of the Methodist Church, Canada,
in West China

"The medical missionary's object is two-fold—to preach the Gospel and to heal the sick; and while his skill and success as a practitioner are to be made subservient to his evangelistic work, still his ministry of healing is, in itself, a service which, in the mission field, is of inestimable value."
