

Dominion Hotel,

VICTORIA, B. C.

Board and Room, \$1.00 to \$1.25 per Day.

MEALS, 25 CTS.

KLONDYKE PARTIES will find Maps, Mining Regulations, and full information as to the best routes to the **Yukon Gold Fields** at the Dominion Hotel. This popular Hotel has long been headquarters for mining men, and is practically a bureau of information. We have looked after all the prominent parties that went to the Yukon via Victoria this season.

The Northern boats leave the Outer Harbor, $1\frac{1}{2}$ miles from the city. We see that guests make proper connection, and our large Omnibus conveys them to and from steamers absolutely free of charge.

The **DOMINION** is the largest and best equipped Hotel in Victoria, and for \$1.00 and \$1.25 per day, gives accommodations that in the East would cost \$2.00. Make up your mind to go to the **DOMINION** and allow no one to change your purpose.

STEPHEN JONES, PROPRIETOR.
