

*TABLE VI.*

THESE ASSURANCES will secure a Provision for the Survivor of Husband and Wife, or for the Surviving Partner of a Firm, to enable him to pay the deceased Partner's share of the business, without encroaching on the Capital.

*Examples.*

A sum of £100 Stg., (\$486.67), without Profits, will be assured at the first death of two persons, aged 20 and 25, by a yearly payment of.....	\$14.72
Or a half-yearly payment of.....	7.73
If the sum assured is to be increased by a share of profits, the yearly payment is .....	16.87
Or the half-yearly payment is.....	8.86
LARGER SUMS are charged at the same rates, thus:—	
For £500 Stg., (\$2433.33), without profits, the yearly payment is.....	73.61
Or the half-yearly payment is.....	38.65
For £1000 Stg., (\$4866.67), with profits, the yearly payment is.....	168.71
Or the half-yearly payment is.....	88.57

⚡ AGES not in the Table are charged in the same proportion. THREE or more joint lives can also be Assured.
