Crankshaw will probably be at quarter, with a half immade up of Bill Baillie, Ken Williams and Art Brophy, a combination from which great things are expected. Back of this new half line will be Tommy Stinson, the most reliable full-back in the game.

You might talk about the quagmires at Fort Erie until yon saw the soing at the Markham Fair, where the good horse September won a mile race, two dut of three, best time 2.0%, the last heat, when the horses knew better how to aegotiate the course. Parnell took the first heat in 2.12%, Toyony always beaten off.

Our old friend Bill Carrigan had the control of the course. Parnell took the first heat in curious monstrosity, a triple-steal, chalked up against him on Thursday. It belongs to Washington's collection of baseball records, and occurred in the second game of the double-header with Boston, who lost, 5 to 5. The triple-steal was been all records, and occurred in the second game of the double-header with Boston, who lost, 5 to 5. The teams will line-up as follows:

Old Enthusiasm in Coming Demon-stration is Lacking.

MONTREAL, Oct. 7.-(Special.)-There is a god deal of lagging over the coming demonstration to Sir Wilfrid Laurier, and as a matter of fact, things are not whooped up so easily for the prime minister as formerly.

The organizers are complaining that the men to carry the torches will not stir unless they are pald a \$1.50 a head, whereas 50 cents was the rate in Mercier's time. The ex-aldermen and members of the old civic regime are also very apathetic in the matter of the demonstration, for the reason that Sir Wilfrid and Hon. B.
