

IN O.J.C. DISTANCE RACES J. E. SEAGRAM'S YPSILANTI

About Waterloo Turfman's Latest
Purchases in England—Row-
ing, Baseball and General.

J. E. Seagram's latest purchase, the nine-year-old b.h. Ypsilanti, is entered in the O.J.C.'s long distance handicap at this fall and his training preparation at Waterloo would indicate that he is one of the horses that will have to be reckoned with if the weight allowances are not too severe. He is one of Seagram's good hand in the Autumn Cup of 14 miles. A lot of other good ones, including Missouri Lad, Minnie Adams, Peter Sterling, Cedarstone, Elliott, etc., and the Jockey Club Cup of 2 1/2 miles, that has among others King's Trophy, Missouri Lad, J. R. Laing, King of Troy and Edwin Gum.

Ypsilanti is American bred, by the imported English sire Galus and dam Stefanie, also imported. He was sent to England as a four-year-old by Richard Owen, owner of Ypsilanti, taken away from the Tammany Boss and sent to a selling race, and his new English owners are said to have made all sorts of very interesting and profitable money on him afterwards, and was well placed and trained.

Ypsilanti was purchased for Mr. Seagram in England this summer by the veteran buyer, Edmund Harris of Owen Sound, and is a perfectly sound stallion. This fall he is expected to be retired to the stud. In addition Mr. Harris purchased for Mr. Seagram several horses, including a brood mare with foals in utero, all royally bred, that are now comfortably quartered at Waterloo.

The O.J.C. president is to be congratulated in his one more effort to improve the breed of horses with native blood, and the opposition to the turf that tantalizingly displays itself hereabouts.

At a dinner which Claude Macdonell gave to the executive of the Canadian Amateur Rowing Association, a book was compiled of the records and evolution of rowing from the time that the mid-time Albert crew won the championship of America, which was about 50 years ago. The book would no doubt be very interesting, and it is to be hoped that the suggestion of Mr. Macdonell will be consummated before long.

The agitation caused by numerous injuries to baseball players this summer, and the fact that the spikes worn on their shoes by opponents has led to the promise of a reform in the matter by the American League, is being discussed by the Canadian Amateur Rowing Association.

At a dinner which the veteran Philadelphia sportsman, remembers a game in which he played with the Philadelphia Athletics in 1882, on Oct. 3, 1882. The game went eight innings and the Athletics won by a score of 10 to 1. Every man in the team bagged from 13 to 20 runs.

Berlin Belle Wins 250 Pace.
The 250 pace at the exhibition yesterday brought out a very enjoyable day, and the best racing of the fair was witnessed especially in the first two heats. Berlin Belle, who in the first heat, finished over Johnny K., both horses finishing on the third.

The second heat saw Berlin Belle, Emma L. and Johnny K. finish noses in the order named, while in the third heat it looked like a close race, but Berlin Belle won by a head, the other two horses finishing a little on the third.

Knowing that Berlin Belle was the best horse in the race, the crowd at the exhibition was very large, and the race was very exciting.

One feature of the race, thanks to the horse race, was that six out of the seven horses that started got a piece of the money. Apple King was the unlucky one.
