H. P. Witton Says Combine Cut Off the Natural Channels of Trade.

CONDUCTOR JOHN CAMERON KILLED

No One Knows How He Came to Be Run Over by a Train.

Hamilton, Sept. 18.—Judge MacTavish of Ottawa today, as royal commissioner on the tobacco trade of Canada, heard evidence in the case of the petitioning tobacco manufacturers, C. S. Campbell, K. C., of Montreal, represented the Empire Tobacco Company and the American Tobacco Company. T. P. Owens of Ottawa is the secretary of the committee. These were also present M. B. Davis Montreal, president of the American Company; H. S. Bourke, Montreal, secretary of the Empire Company; Major Orchard, Toronto, representative of the Empire Company, and H. E. Whitcomb, Ottawa, secretary of the American Tobacco Company. The evidence was given by F. P. Healey, bookkeeper for Lucas, Steele & Bristol, Montreal, and James Kincaid, accountant, and H. P. Witton, tobacco expert. His firm had declined to file an order for the Empire Tobacco Company's goods, because it had a contract with the Empire and American companies. Mr. Witton said his firm maintained a list of all the tobacco companies in the hands of jobbers or dealers because they signed contracts with the American and Empire companies. The inducement was a reduction of 1 cent a pound. On the inquiry being resumed this afternoon, H. C. Beckett, second vice-president of Gillard & Co., wholesale grocers, was called on behalf of the

PAPA HAD HIS WAY

Leading Lady in "Princess Chic" Will Appear as Christiana Hudson.

There is a mad man in Toronto today, and his name is John P. Slocum, general manager for Kirtle Lashelle, now presenting "Princess Chic" at the Princess. As a result of a woman's tears and the determination of Col. Hudson to change the play, Slocum leaves the stage, or appear in future under her right name, Mr. Slocum has been ordered to change the play and advertising matter in order to keep his big company together. So Thursday evening's program of the theatre contained a red slip with the information that in future the prima donna known as Christiana Hudson will appear under her own name—Christiana Hudson. "Papa" had his way, and to both his wishes. The play for the harsh times he and Mr. Slocum have been ordered to each other during the past few hours. Miss Hudson gave a pretty little banquet at the Rossin Theatre last evening. At the meantime Mr. Hudson will have the pleasure of paying for all the big colored posters which Mr. Slocum and his three years contract with Miss Hudson had prepared, but which are now worthless.

MEANWHILE GOVERNOR VANANSETT Visits the Deceased,

The Army and Navy Veterans are after the provincial government for keeping him in the jail instead of providing suitable accommodation for them in the asylum. Their complaint was prompted by the death of one of their number, John Richardson, which occurred at the jail on Monday. The veterans allege that Richardson was a dangerous man, that he was kept in an ordinary jail surrounded by criminals and that he did not receive proper medical attention. They say he was ill for three weeks before his death, and that his death was due to the neglect of the jail authorities. The veterans have called a special meeting for next Tuesday in order to discuss the matter and to take action.

He was escorted by a force of mounted police, and was followed by a number of his wealthy supporters in their broughams. The police were ordered to keep the crowd back, and the carriage was held by the police. The service lasted an hour. If Pigott had been an unpopular Prime Minister, greater care could not have been taken of his person.
