

# THE EVIDENCE OF TORONTO PEOPLE

Mrs. M. Simpson

Mrs. M. Simpson, 48 Edward Street, Toronto, states: "I believe Dr. Chase's Nerve Food to be a splendid nerve restorer, and speak from personal experience. My nerves were very weak and exhausted; I was easily fatigued, and would start up nervously at any unusual noise. I could not sleep at night, and during the daytime dizzy feelings would come over me, and I would feel as though I were going to faint. Dr. Chase's Nerve Food has done for me what other medicines failed to do. It has strengthened and steadied my nerves so that I sleep and rest well, and have not had a dizzy spell for some time. I feel healthy now, thanks to this food cure."

## Symptoms

Restless, languid, weak and weary, no life, no energy, tired all the time, throbbing, palpitating heart, heart asthma, sleepless nights, sudden startings, morning languor, hot flashes, brain fog, inability to work or think, exhaustion on exertion, general numbness, dead all over, cold hands and feet, flagging appetite, slow digestion, food heavy, easily excited, nervous, muscles twitch, strength fails, trembling hands and limbs, unsteady gait, limbs puff, loss of flesh, loss of muscular power, irritable, despondent, hysterical, cry or laugh at anything, settled melancholia, steady decline, complete prostration.

The plain unvarnished statements of men and women who have been pale, weak, exhausted and nervous—suffered with headaches and indigestion—felt the necessity of richer blood and stronger nerves, and obtained them by the use of Dr. Chase's Nerve Food.

Study these letters and see if any of these people felt as you do. Take courage by their experience and profit by their advice.

If you need something to enrich your blood, to put new vim and energy into the depleted nerve cells, to add tissue and increase flesh and weight, Dr. Chase's Nerve Food is admirably suited to your requirements, 50c a box, 6 boxes for \$2.50, at all dealers, or Edmanson, Bates & Co., Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous receipt book author, are on every box of his remedies.

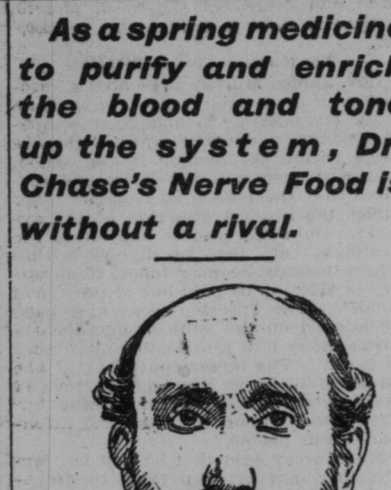

## Dr. Chase's Nerve Food

Mrs. Hann

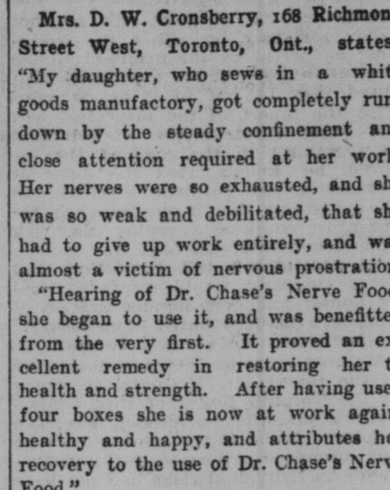

Mrs. Hann, 3 Leonard Avenue, Toronto, states: "For a number of years I have been troubled with weakness and fainting spells, nervous, sick headaches, and, in fact, my nervous system seemed to be in an exhausted condition. Languid, depressing feelings would come over me at times, and I would become discouraged and despondent. Since a course of treatment with Dr. Chase's Nerve Food I do not hesitate to pronounce it a splendid medicine for weakness of all kinds. It has been of great benefit to me, for my nerves are much steadier, the dizziness and fainting spells no longer trouble me, and my system has been generally built up."

We will forfeit \$500 if these testimonials are not genuine.

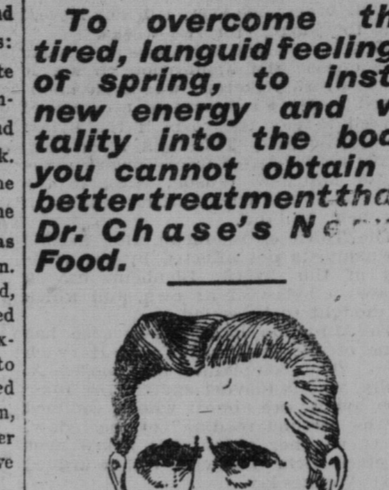

Mr. H. Howell Barker

Mr. H. Howell Barker, 128 Munro St., Toronto, Ont., states: "I used to be very nervous and my system was quite run-down and out of order. At times feelings of weakness and dizziness would come over me. I procured a box of Dr. Chase's Nerve Food and it proved to be exactly what I needed, steadying the nerves and generally toning up the system. I can recommend this remedy very highly as a nerve tonic and system builder."

Miss Cronsberry

Mrs. D. W. Cronsberry, 108 Richmond Street West, Toronto, Ont., states: "My daughter, who sews in a white goods manufactory, got completely run-down by the steady confinement and close attention required at her work. Her nerves were so exhausted, and she was so weak and debilitated, that she had to give up work entirely, and was almost a victim of nervous prostration. Hearing of Dr. Chase's Nerve Food, she began to use it, and was benefited from the very first. It proved an excellent remedy in restoring her to health and strength. After having used four boxes she is now at work again, healthy and happy, and attributes her recovery to the use of Dr. Chase's Nerve Food."

Mr. H. Fagan

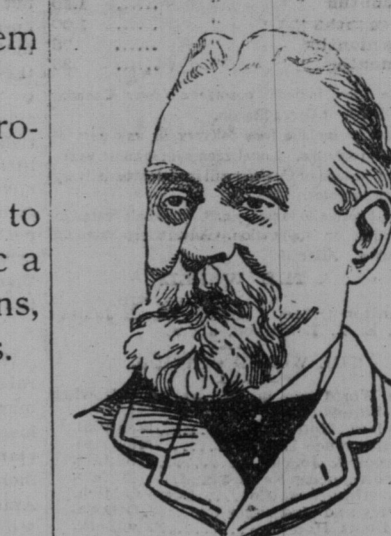

Mr. H. Fagan, 113 Bleeker Street, Toronto, Ont., states: "For years I have been so very nervous that I could not sleep at night, and was bothered a great deal with nervous headache. After a treatment with Dr. Chase's Nerve Food I find that my nerves are much steadier. I sleep better than I have for years, and have not had a single headache. I consider Dr. Chase's Nerve Food the best medicine that I have ever used for nervous trouble."

Mrs. M. Birch

Mrs. M. Birch, 486 Dufferin Street, Toronto, Ont., states: "I have suffered a great deal from nervous headache and strange dizzy spells. As I was also quite nervous and not feeling at all well, I concluded that my nervous system was not as it should be, and began using Dr. Chase's Nerve Food. This treatment seems to have exactly suited my case, for my health has been greatly improved by using it, my nerves are restored, I am cured of the headaches, and think the Nerve Food a splendid medicine. It has certainly done wonders for me."

Note your increase in weight while using Dr. Chase's Nerve Food.

Mr. R. B. Popham

Mr. R. B. Popham, 29 Edward Street, Toronto, states: "As a result of a severe attack of influenza I was left in a weak and run-down condition. My digestion was bad, my nerves were all unstrung and I had frequent spells of dizziness and nervous headache. By using Dr. Chase's Nerve Food regularly for some time I have succeeded in building up my system and can now say that my digestion is good, the headaches and dizzy spells do not trouble me any more and my nerves are steadied and restored. I consider this medicine a splendid blood and nerve tonic."

## Be Suspicious

Of new, untried remedies that are being "thrown" on the market every day by persons with little knowledge of disease and its treatment. Like the wax candle, these new fangled medicines shine brightly for a time, then flicker and die, because they do not possess the true merit which is necessary for continued success. Everybody knows of Dr. A. W. Chase, his unqualified success as a practicing physician and Receipt Book author, and his family remedies have been so thoroughly tested Europe as to prove absolutely their right to demand your confidence. They are the prescriptions which have made Dr. Chase famous, and they were never so popular as they are today. You can procure Dr. Chase's Remedies at all dealers, or by mail, post paid, from Edmanson, Bates & Co., Toronto. Every box of the genuine bears portrait and signature of Dr. A. W. Chase.

## C.P.R. ELEVATOR BURNED

LOSS TWO MILLION DOLLARS

Half a Million Bushels of Wheat Destroyed in Fire at Fort William.

Fort Arthur, May 12.—(Special.)—A heavy rainfall last night was all that saved Fort William from one of the worst conflagrations in the history of the west. A pile of debris is all that remains of elevator B of the C. P. R. system. About 12:45 a.m. an employee discovered fire in the eastern portion of the elevator. His gave a warning whistle, and some hundreds of citizens hurried to the scene. At first only a faint glow of fire could be seen, but as the raging element gained headway the whole interior of the building became a mass of flames. As the collapse occurred fiery brands were hurled hundreds of feet, and only the great work of the firemen and citizens saved the town from a great conflagration. Incipient fires sprang up in the vicinity.

The brigade turned out in quick order, but five minutes after the alarm it was plainly seen that the great structure was doomed to destruction. By 1 o'clock the elevator was a mass of flames. As the collapse occurred fiery brands were hurled hundreds of feet, and only the great work of the firemen and citizens saved the town from a great conflagration. Incipient fires sprang up in the vicinity.

Could Not Sleep At Night.

Was All Run Down.

Had No Appetite.

FOOD WOULD NOT DIGEST.

Mrs. I. W. Warner, Riverdale, N.S., is glad there is such a remedy as

Burdock

Blood Bitters.

IT CURED HER

AND WILL CURE YOU.

She says: "I wish to add my testimony to the many others who have spoken so highly as to the unfailing virtues of Burdock Blood Bitters. I was all run down, had no appetite, lost all ambition, could not sleep much and had terrible headache and backache, and my food did not digest properly. I saw B.B.B. advertised, so concluded to give it a trial, thinking if it did no good it could do no harm. But after using one bottle I began to feel better, and by the time I had used two bottles I was feeling like a new person. I am so glad there is such a remedy provided for suffering humanity, and cannot praise it enough for I think there is no medicine like it on the market."

THE WOMAN'S AUXILIARY.

The Anglican Diocesan Women's Auxiliary had their monthly meeting yesterday afternoon in St. James' schoolhouse Miss Tilly presiding.

The odds and ends of the recent annual meetings were cleared away, and a decision was reached that the extra cent a day offering should be devoted to the establishment of a mission at Eagle River, diocese of Keweenaw.

The treasurer reported receipts of \$29.30, and an expenditure of \$312. The next meeting will be held at Mimico on June 15.

## A KING'S BIRTHDAY BANQUET

Proposed by Empire Club Officers Re-Elected by Acclamation.

A coup d'état, headed by Edward Meek and Prof. Clark, upset the constitutional procedure of the Empire Club's nominating committee yesterday, and by unanimous consent the present officers were continued in their chairs for another year. Col. Mason, as president, protested that lack of time and other causes would not permit a change. But Prof. Clark, generally overbore all his arguments, and the colonel will preside at a big King's Birthday banquet projected for the 6th of November.

The first meeting, on Dec. 3, had 61 present, and the club attained its full membership of 500 on March 10. Twenty-one meetings were held. The treasurer's report showed a balance of \$85.77 on hand out of a revenue of \$450. All the addresses given before the club, which subscriptions will be taken. Alex. Fraser announced that steps had been taken towards establishing similar clubs during next season in Halifax, Kingston, Winnipeg and Victoria.

A special vote of thanks was passed to Col. Mason, and thanks were voted to the other officers.

## WINNIPEG'S GROWTH.

The phenomenal growth of Winnipeg has given rise to a good deal of speculation as to how many people the metropolis of the west will contain in ten years from now. A number of prominent Winnipeggers interviewed by The Tribune give an estimate of 200,000, and this does not seem to be out of the way, in view of the present expansion. Since 1893 the population has grown as follows:

1893	.....	32,119
1894	.....	34,324
1895	.....	37,124
1896	.....	37,933
1897	.....	38,733
1898	.....	39,533
1899	.....	40,333
1900	.....	42,534
1901	.....	44,738
1902	.....	46,941
1903	.....	56,741
1904	.....	67,000

## HONORS FOR WANAMAKER.

London, May 12.—The governing committee of the Carlton Club has elected Hon. John Wanamaker of Philadelphia and New York an honorary member during his stay here. This is the first time in its history that the club has conferred such honor upon a foreigner.

Mr. Henry Hedrick, South Woodside, Ont., says that Doan's Kidney Pills are far ahead of doctor's medicine.

He writes: "I have tried Doan's Kidney Pills and can honestly say that I never used anything better. I was so bad with my kidneys I could hardly raise myself up without help. But Doan's Kidney Pills cured me."

"My wife was always complaining of a lame back, and they completely cured her."

"Our son was also troubled with his kidneys and as your pills had done us so much good we got him to try them and they cured him as well. They are far ahead of doctor's medicine, and I advise a trial of Doan's Kidney Pills for all sufferers from kidney trouble."

## GOULD SENT FOR TRIAL.

Magistrate Considers Evidence is Strong Enough for Jury.

Joshua Gould must stand trial for alleged incendiarism. He entered no defence for defence before the magistrate yesterday, but intimated an alibi. The fire occurred in his store, 227 Yonge street, at 3 o'clock on the morning of April 20, while the firemen were fighting the conflagration.

E. C. Miles said that at 12:30 he tried the doors, front and rear, of the store and heard voices within, one, he thought, being that of Gould and the other a woman's. At 2:30 he saw a light in the front and saw Gould, apparently conversing with some one. He did not see him at the fire.

John Miller, across the road, about 2:30, noticed a light being passed to and from the windows. A few minutes later the place was in flames.

John Miller, insurance inspector, said that he had three conversations with Gould about the fire, twice Gould said he would take a car home a little before midnight; the third time, May 4, he said he walked. Inspector McKenna, of the street railway said that no cars were running on King or Queen streets that night between 10:50 p.m. and 3 a.m.

Gould was allowed bail in two \$500 sureties.

## International Park.

Brockville, May 12.—Hon. Mr. Sifton with Major Walsh went up the St. Lawrence to-day to lay plans for wharves, etc., for the proposed international park.

## Where It Should Be.

A large photograph of the fire department, men and officers will be hung in the main corridor of the second floor of the City Hall.

## PUBLIC HOUSES SCARCE.

Liverpool Mercury Answers Complaints of Returned Emigrants.

(Canadian Associated Press Cable.) London, May 12.—The Liverpool Mercury, discussing the complaints of disappointed Londoners that they had been victimized by land speculators west of Winnipeg, says: "It is in no way surprising that among the thousands who emigrate to Canada there are a few who come back disappointed. Possibly they found public houses somewhat sparsely distributed over the prairies, or they may have been deceived that there were no penny electric trams to carry them to work. As a certain percentage of fools emigrate to Canada, we must expect a number of unwise voyagers to come back plucked."

The emigration officials here state that the emigrants have only themselves to blame if they lose their money. As is the case all over the world, people are victimized who do not take care of themselves. These emigrants did not take the official advice regarding the season for emigrating. The officials add that it is curious that such complaints always come from Englishmen, not from Scots, Welsh or Irish.

## Have in Niagara District.

St. Catharines Standard: The farmers of the Niagara district have not a very bright prospect before them with reference to the wheat crop. It is now conceded that practically all the fall wheat on the low-lying lands in the Niagara district was killed last winter, and the farmers are plowing up the land. Some of them lost as much as fifty acres, and one farmer near St. David's, who last fall planted sixty acres of fall wheat, says that he will not have fifty bushels to show for it. The cause of the immense loss is due to the fact that early last winter, when the heavy rains came, the water froze on the wheat and the ice stayed all winter, killing out the wheat completely. The wheat on the high land did not escape altogether, either, for when the snow left this spring the severe frosts which ensued did a lot of further damage. The farmers around here say that the very severe winter we have just passed thru will have far-reaching results. Even the grass in the meadows was killed out in many places by the severe cold, and as a result the hay crop will also be short this year. Fruit trees which could stand an ordinary winter were killed by the frost.

## In Niagara Fruit Belt.

Across the Niagara River, in Niagara County, N. Y., the fruit growers now predict large crops of peaches, apples, plums, pears, quinces and small fruits. The cold weather kept the buds back and the blossoms are perfectly formed and in most cases numerous, so that the indications point to a large crop. The prolonged and unusually cold winter has not injured the fruit, it would seem, but has been a benefit, according to the claims of the experts who have made a thorough investigation. The earlier fruits are beginning to blossom and make a fine showing.

## Lawyer Patrick's Appeal.

New York, May 12.—Recorder Goff has signed the settlement of the case on appeal of Lawyer Albert T. Patrick, who was convicted before him March 27, 1902, of the murder of William Marsh Rice. The court ruled that the case must be argued within forty days. Ex-Senator Hill will represent Patrick.

## Lost a Foot.

Kingston, May 12.—Howard Reynolds' new mill at Verona was the scene of an accident to-day that resulted in Sidney Keach losing a foot.

The drink crane in many cases is a disease, requiring scientific treatment. For particulars regarding a reliable and inexpensive system of home treatment address W. C. T. U. Headquarters, Elm-street, Toronto.

## CHARTERED ERIK.

Steamer Will Convey Stores for Capt. Bernier's Expedition.

St. John's, Nfld., May 12.—The Canadian government has chartered the sailing steamer Erik to proceed to Hudson Bay in July next with supplies for the steamer Neptune, now with the Canadian expedition sent for the purpose of enforcing the Canadian laws against American whalers.

The Erik will also convey stores to the north for the steamer Gauss, recently purchased from the German government by Canada, in which ship Capt. Bernier will proceed to the north and annex a number of Arctic islands for the British crown, and will then attempt to reach the north pole.

## COST OF RUSSIAN WARSHIPS.

Anglo-Russian: In the various reports of Russian vessels sunk or damaged since the beginning of the war, their tonnage and other particulars were given, but not their cost. This is probably because it is difficult to fix the original cost of the vessels, and the cost of only some of the vessels put hors de combat:

Askold about	4
Czarevitch about	14
Retykian about	12
Petropavlovsk	20

Of the last vessel it may be said that it alone a sum of money was sunk in the sea in two minutes that would have covered the expenditure for at least one year's primary education for the present Russian budget.

## ENGINEER OF G.T.P.

Ottawa, May 12.—The name of Newton Kenyon, engineer of Ottawa, is being put forward prominently by local newspapers here, for the position of chief engineer of the government railway of the Grand Trunk Pacific. So far no appointment has been made.

## Toronto Field Battery.

The Field Battery is rapidly becoming one of the most active and popular corps of the garrison. A new establishment calls for seven officers, ten sergeants, two trumpeters and 96 rank and file with 72 horses. Application has been made for transfer of the following officers to the Battery: Lieutenant Victor A. Hall, Cobourg; Captain E. K. Richardson, M.D., from the 31st Regiment of Infantry.

It is expected that S. Smith of Smith, White & Runciman, will join as junior lieutenant. The officers are working hard to recruit the battery to its full strength. It is expected that the new training at Niagara-on-the-Lake in June will be the most instructive and interesting yet experienced. A number of new instruments have been received, and plans are on foot to organize a battery signal corps.

A good muster is expected at next Sunday's church parade. The sergeants and corporals will wear helmets and tunics, and the men, sergeants and privates will wear tunics and helmets.

## Chinese Labor Convention.

London, May 12.—Colonial Secretary Lyttelton announced in the house of commons to-day that the Anglo-Chinese labor convention will be signed to-morrow. Everything has been prepared for the immediate shipment of Chinese laborers to the Transvaal.

## TIBETANS ON OFFENSIVE.

Bombard British Camp at Distance of Six Furlongs.

Gyangtse, Tibet, May 10.—(Delayed in transmission.)—The Tibetans have taken the offensive against the British mission camp here. From a fort about six furlongs away they are steadily bombarding the camp with a half dozen guns carrying solid cannon balls of a pound weight. Another large gathering of Tibetans is reported from the Rong Valley, and although the British have been in the rear are still open, the mission is practically besieged.

## MUST ADVANCE TO LHASA.

London, May 12.—Indian Secretary Brodrick informed the house of commons to-day that the government had decided that recent events in Tibet made it inevitable that the British mission must advance to Lhasa, the capital, unless the Tibetans consented to negotiate at Gyangtse within a given date.

## BANGS FOUND THE MONEY.

Calgary, May 12.—Yesterday Detective Chamberlain and J. A. Bangs came about the house where Bangs had been committed for complicity in the mail robbery. When they parted here in the early morning Bangs said the money which had been taken from the mails had been hidden in the country, and that the two would go out and get it. Chamberlain went down to Bangs' house a little while after and Bangs produced the money, between \$500 and \$600.

## REMOVE BAN ON DANCING.

Los Angeles, Cal., May 12.—A question of importance which has come prominently to the fore in the Methodist general conference is that involving a change in discipline to the extent of entirely removing the church ban on the pleasures of dancing, card playing and theatre going. It seems not unlikely that the conference will have to remove the present rigid restriction regarding the indulgence of these recreations.

## GOES DOWN FOR LIFE.

Dover, Del., May 12.—Mrs. Mary A. Powell, who was convicted of murder in the second degree for killing Estelle Albin, to-day withdrew her motion for a new trial and was sentenced to imprisonment for life.

## PRIZE FIGHTER KILLED.

Fresno, Cal., May 12.—In a ten-round preliminary bout before the Central California Athletic Club John Bryant was pounded into insensibility by Walter Robinson, a negro, and received injuries from which he died in a few hours.

## SPAIN BUILDS WARSHIPS.

Madrid, May 12.—The naval budget provides for the construction during the coming five years of warships which will cost \$7,500,000.

## COMPENSATION TO SEALERS.

London, May 12.—(C.A.P.)—The Canadian Associated Press understands that the amount paid by Russia as compensation for the seizure of Canadian sealers in the neighborhood of eighty thousand dollars.
