WITHOUT BAIL. Lawyer Foley, of Paris, Committed for

Trial-Shortage of \$50,000 Charged. Paris, Ont., March 3.-C. M. Foley, the lawyer, arrested two weeks ago on charges of fraud, he having, as alleged, appropriated to his own use over \$50,000 of his clients' money, was brought up for hearing before P. M. Powell yesterday. P. D. Crerar, of Hamilton, conducted the prosecution, and Geo. Wells, combination and succeeded after two Foley pleaded not guilty to all the charges.

Evidence was given to show that Foley had the entire confidence of his clients, many of whom had handed over their money, to be invested in various ways, only getting Foley's receipt for the amount, and in many instances even this was not obtained. It was alleged that bogus mortgages, and receiving money to pay off mortgages, which were never discharged, had been his chief means of swinding, witness after witness telling the same story of paying money to roley, either to lift a mortgage or take one, and which can now be traced no farther than Foley's

Our Gallant Leader.

An enthusiastic Liberal workingman Raise the standard, wave it strongly Now it's in an honest hand; Colonel Leys, our chosen leader. How he made a gailant stand! He's our pick of honest neighbors, He's the friend of honest labor;

How he worked while they were polling, Just to keep the pot a-boiling!

Chorus-Shout, Reformers, an your might, Leys went in-yes, out of sight: Let our motto ever be,

Colonel Leys and Victory. How success, with all its charms, Yielded to our victor's arms; Prudent, wise, and honest, too, through;

Won tuccess right through and We knew he'd never lose the race; He was not to know disgrace; Rally round him, all, I pray, The red, red banner won the day.

Our opponent in the field Thought his slurs would make us yield, But of him we've heard enough, Of his record long and tough. Hear the angry Tories cry When the Colonel's passing by, How they stand and tear their hair

Since they've had the colonel's scare. Now the race is fairly won; Leys is in-yes, ten to one. Poor old Beck is hard to find In the distance left behind. No, he never reached the goal, Seems it was against the rule; But when the soup was in the pot

Beck stepped headlong in the pot Tories, how they faintly yell; They can hardly stand the spell. Nothing can be seen of Beck, Seems he tumbled off the deck; When last seen, was at the fire. Thinking he was going higher; Echo answers with a whoop, Croup, and dupe, and loop, soup,

When You Are Tired Without extra exertion, languid, dull and listless, your blood is failing to supply to your muscles and other orthe vitalizing and strengthgiving properties they require. Mineral medicines only drive scrofula below the surface. Dr. J. C. Ayer's Sarsaparilla is a vegetable remedy and it eradicates the disease. There is no remedy for scrofula equal to Ayer's Sarsa-

"I was cured of a long-standing case of scrofula by Dr. J. C. Ayer's Sarsaparilla. The disease first manifested itself when I was a child, by breaking out in red blotches all over my body. I was not free from the trouble until I took several bottles of Ayer's Sarsaparilla. That effected a permanent cure."—Mrs. E. H. SNYDER, Lehigh-

Embro Curlers Defeat the Detroit Players-Baseball Rules Revised.

INGERSOLL WON The Ingersoll junior hockey team came to London last night to play an exhibition game with the Jubilee club in the Jubilee Rink. They evidently felt keenly their defeat by the Collegiate Institute in this city on Friday last, and came here to scalp the boys at all hazards. Their men were heavy and much better at combination play than the Jublees. The game was of the fast and furious kind, and at times decidedly rough. The ice was in magnificent condition and the attendance large. When the teams lined up the inger-soll boys seemed to have everything

Another quickly followed in eight minutes, Hearn and Hault working a great piece of combination, Hearn scoring, Ingersoll here started an aggressive attack on the Jubilees' defense, which

they successfully kept up until three more goals had been added to their number. After several sharp scrimmages, which kept the puck about the center of the rink, up it came to the Ingersoll defense, but the Jubilees failed to score. The puck was then shot out to the rink's center, and Peel, who saw his

TURF. MIKE DWYER DYING.

New York, March 3.-Michael F. Dwyer, the famous turfman, is reported to be dying at his residence in this city. He is considered the greatest plunger on the American turf. Mike Dwyer is the perfect type of the cold, calculating man of chance, doing his gambling as he would conduct a business in a grocer's shop, losing as a matter of course, and winning as a matter of certainty, after a summing up of the chances.

The favorite for the Grand National steeplechase at present is Manifesto, a fine jumper and stayer, but he is closely pressed in public favor by Barcalwhey, and the Irish horse Drogheda is

Six favorites were beaten in order, and the talent had a disastrous day. Winners: Crystalline, Pearl Barnes, Robert Bonner, What Next, Maltese and Tragedy.

The New Orleans meeting will close The Crescent City Derby, the first of the big western events for the year, will be run at New Orleans this month.

The Schoor stables, with Presbyterian and Lieber Karl, are thought to have the \$4,000 stake at their mercy. The programme book of the Ontario Jockey Club for its spring meeting in Toronto is out. The principal race to be run on the opening day is the Queen's plate, 1¼ miles, for horses bred and owned in Canda. The value of the stake is 50 guineas. The Toronto cup to be run on May 24 has \$1,200 added to be run on May 24, has \$1,200 added this year, instead of \$1,500 as heretofore. The meeting will open May 21 and close May 28.

BASEBALL. St. Louis, March 3.-At yesterday's meeting of the National baseball magnates, the most important changes made were the rules substituted for rule 57, as follows: "The umpire shall perform all the duties devolving upon a single umpire, except giving decisions on first, second and third bases, and deciding points of play in running such bases, which shall devolve upon such umpire, except as regards third base, when any other base is occupied by a base-runner, in which event the umire shall decide all points of play arising at third base. It shall be the duty of the umpires to assist or advise each other in rendering any decision when asked by the other umpire. To rule 61, which relates to the suspension of a player, is added a provision that the term of suspension shall not exceed three days, including the date of removal." Section 2 was added to rule 61 as follows: "The umpire shall ately after the suspension of a player, give the president of the league a full statement of the facts as to the cause

for the suspension. In flagrant cases he shall report to the president by telegraph." The league adopted the schedule prepared by President Young. It differs from that of former years, in that the clubs make four eastern trips, instead of two, as formerly, and that New York and Pittsburg will play on Sunday while abroad. To Grocers.

We have direct proof that peddlers of washing powders say that the stuff they're selling is "made in the same factory" as Pearlineand that buying from them will save going to, or ordering from, the grocery store. Do you want people "saved" that. You have these same washing-powders in stock. Possibly you are giving them out, whenever you can, in

place of Pearline. You are trying to push them into notice; they are trying to crowd you out. You think you are "making more money on them." But will it pay you, in the end?

Send Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as Pearline." IT'S FALSE—Pearline is never peddled, it Back and if your grocer sends you something in place of Pearline, be honest—send it back.
