MIXED FARMING IN WESTERN CANADA—in Central Alberta, 3000 acres, with a fine house, open prairie ready for the plow, irrigated with trees, which afford excellent shelter for stock. Here grain growing, dairying and livestock raising are being carried on successfully. The country is ideal for mixed farming. The Canadian Pacific Railway is offering a large area of these fine lands in the neighborhood of Lloydminster and Battleford. These high districts will become the home of thousands of prosperous farmers. On similar land Seager Wheeler grows the world's prize wheat. Near Lloydminster the world's largest annual production of butter and of the highest quality is made. A man can soon become independent. These lands can be bought now at prices averaging about \$18. You pay down 10 per cent, the balance is paid under settlement conditions, no further payment of principal until end of fourth year, when interest is paid. Tract lands in Southern Alberta, 500 acres, up to 1200 acres, available. Write for illustrated booklet. H. La. Die Norwood, C. P. R. Land Agent, Windsor Station, Montreal. Ap. 10, 24.
