YORK COUNTY North Toronto

YORK TOWNSHIP COUNCIL
MEETING HELD MONDAY

West Toronto Business Men Go to
Peterboro—Lennox Picnic—
Suburban News.

NORTH TORONTO, July 19.—(Special.)—Discussing the result of Saturday's voting W. G. Ellis, president Katepayers' Association, said:

"Last January Toronto board of control practically snubbed our council when proposing the annexing of the town to the city; Councilor Parks resented their lack of courtesy and set to work to show that we are not only independent of the city, but could do better for our ratepayers by retaining a separate municipality by solving the question of sewerage. The system decided upon is inexpensive and thoroughly sanitary. It would have been chaotic if the city's ancient and unsanitary system had been installed in North Toronto. Our citizens can well afford to take of their hats to Councilor Parks, chairman of the sewerage committee."

The parallel roads question has been before the electorate as a dream for years. Councilor Home with his usual energy and resourcefulness has made it a reality.

"North Toronto can now invite Toronto home-loving citizens to locate and share with us the natural advantages of the locality afford. A general levy will commence to carry the burden and in my opinion should not be one fraction higher than now."

Councillor Burnaby is delighted with the result. "I look for material advance in the town, now that these two important questions are settled," he said.

Councillor Burnaby has declined an offer of \$10,000 for his handsome residence and grounds, some five acres. This is fair indication of the upward trend of prices in the northern town.

Rev. W. A. Back, pastor Eglington Methodist Church, is enjoying a month's holiday in Muskoka, and will return about Aug. 15.

R. G. Kirby and Mrs. Kirby are shortly expected home from a holiday trip to the Province of Quebec, and up the Saguenay.

Mrs. W. Doughty and son of Brownlow-avenue are spending a few weeks at Cedarvale.

Mrs. F. Boudien and her twin daughters of Sherwood-avenue are spending a month with friends in Chicago.

Mrs. C. Spittel of Albertus-avenue is sunbathing at Balsam Lake.

GREAT FIRE FIGHTERS
Engine Starts Fire in Barn Roof But Farmers Soon Get on the Job.

ELLESMERE, July 19.—(Special.)—Scarboro farmer demonstrated their fire fighting abilities when they put out a blaze started by the sparks from a C.P.R. engine in the roof of John Marshall's barn about a mile west of this village about 5.30 this afternoon. Mr. Marshall's barns are about five acres from the track, and when the blaze was first noticed the Independent Telephone Co.'s lines were immediately put in use and the farmers summoned from all over the neighborhood.

One of the mows was half full of hay, while a big load stood on the floor, and while the roof was partly burned away, so strong was the suction caused by the high wind that the sparks, instead of falling on the hay, were blown away and the buildings saved. A bucket brigade, organized by the farmers, put out the fire on the roof.

The family residence and the other outbuildings were directly in the line of wind, and if one had blown all would have shared the same fate.

WEST TORONTO.
Deputation Visits City Hall to Urge New Hospital.

WEST TORONTO, July 19.—It looks now as if Ward Seven is going to have a hospital after all. For years there has been talk of establishing one here, but nothing but talk has resulted. A deputation of West Toronto citizens, headed by Ald. Anderson, asked the board of control this morning for assistance in establishing the much-needed hospital, and Anderson explained that ward seven being an industrial centre many accidents occur, as many as thirty or forty patients per week going to city hospitals. The Heydon House, at West-end-road, and St. Clair-avenue, could be taken over and properly equipped by the management of a private hospital at present located on Pacific-avenue.

Dr. Sheard said that the city council had no power to donate sums of money to a hospital without the consent of the people, and Mayor Oliver added that the city would undertake to pay 70 cents per day for pauper patients in ward seven as is done for the rest of the city.

It was decided to have the deputation talk the whole matter over with Dr. Sheard. The West Toronto doctors are unanimously in favor of a local hospital. If a person meets with an accident, said one physician to-night, "it sometimes takes over two hours before he can get to the hospital, except a private ambulance is used, and that costs money. Ward seven needs a hospital, and needs it badly."

The public library on Annette-street is practically completed. As soon as the furniture, floor covering, etc., are procured, the building will be opened to the public.

As in other parts of the city so do ward seven citizens favor Dr. Sheard's old innovation for sprinkling the streets. The dust horror, which formerly was so much of a provocation, is now practically a thing of the past.

Lloyd, the only child of Mr. and Mrs. Paul Scharbonow, 45 Charles-street, died this morning.

Judging by the interest taken in the event it looks as if the excursion of the Business Men's Association to Peterboro on Wednesday will make West Toronto look deserted. Every store will be closed, and the event will take the form of a civic holiday. The official program has been prepared, and all the sport arranged. Upwards of \$500 worth of prizes will be completed for. Special train will leave local C.P.R. station at 7.45 a.m., returning will leave Peterboro at 3 p.m.

On account of the business men's excursion to Peterboro on Wednesday the vestry meeting of St. John's Church will probably be adjourned.

BEDFORD PARK.
BEDFORD PARK, July 19.—(Special.)—The garden party held on the beautiful grounds of Mrs. A. H. St. Germain on Saturday afternoon in aid of the Baptist Mission, was a delightful affair, and heartily enjoyed by all present. The weather was ideal and the grounds beautifully decorated, while the refreshments served by the ladies all that could be desired.

The Royal Alexandra Orchestra furnished splendid music during the afternoon, and Miss Bertha McDonald of West Toronto was a charming vocalist.

Among the speakers were Rev. P. A. MacEwen, B.D., the pastor of York Mills and Bedford Park mission, Rev. Mr. Schutt, Rev. Putnam of Willowdale and F. L. Powke, M.P., South Ontario.

Mrs. St. Germain was unparalled in her efforts to add to the pleasure of the occasion, and indeed has always shown great interest in the work of the mission.

Among those present were: Mrs. Boggs, Mr. and Mrs. Bathgate, Mr. and Mrs. J. Simpson, Mrs. M. S. W. Bengough and Miss Bengough, Mr. and Mrs. L. C. Sheppard of Rosedale, and Councilor and Mrs. Burnaby of North Toronto.

YORK TOWNSHIP COUNCIL.

Reeve Henry presided at Monday's meeting with Councilors Watson, Barker, Nelson and Jackson present.

A meeting of the local board of health was held prior to the council, when the report showed eight cases of scarlet fever, one of diphtheria and one of smallpox during June, and five of scarlet fever, and two smallpox to date during July. Accounts totaling \$24 were paid Dr. Mooney re smallpox cases.

A report submitted to council by Frank Barber, C.E.R., re the cutting down of Bathurst-street, north of St. Clair, was submitted. Mr. Barber estimates the cost at \$12,000. Of this amount \$750 goes for grading, a \$1500 culvert \$800, fencing \$150, and engineering at \$500. Mr. Barber states that this expenditure would give a 3 per cent. grade on the south, and 5 per cent. on the north hill.

John Macdonald is the chief promoter of the movement, and if the property owners adjoining take up the work as a local improvement it will go thru.

At the present time the north hill has a 15 per cent. grade, and the south 12.

George Booth complained about the sidewalks on Ossington-avenue from the C.P.R. to Davenport-avenue. City Solicitor Chisholm wrote stating that a petition re the Barleecourt and Davenport association had been forwarded to municipal board.

Mr. McBride wants 150 ft. of sidewalk on Wheeler-avenue.

East enders near Munro Park applied for electric light on Queen-street, near the ravine.

Jos. Pilling, on behalf of Todmorden residents, applied for a grant for a volunteer fire brigade.

Next regular meeting of the council will be held on Aug. 3.

Robert Clarke of Oriole was granted permission to install Welsh scales near the City Hall at that point.

Some slight changes were made in some of the various polling sub-divisions, notably No. 10.

BRACONDALE.

BRACONDALE, July 19.—Contractors are busy with the erection of new parsonage for the Methodist Church. The building is being erected on St. Clair-avenue on the old site.

THE LENNOX PICNIC.

The great Liberal-Conservative picnic, held under the auspices of the North York Association, which is advertised for Wednesday, July 21, at Jackson's Point, promises to be the biggest picnic ever held in the Province of Ontario.

It is expected that there will be at least 20,000 present if the weather is favorable. When the Roof is On

MANY a new house owner thinks that once the roof of his cherished building is on his troubles are over. Not so. Finishing a house is far more of a trying experience than starting it. After the house is finished and the last workman has gone there comes the furnishing. That will occupy a larger share of a home builder's thoughts after the roof is on.

Let us make a suggestion in that connection.
